## SPRINGFIELD XDS MAGAZINE 8-RD STEEL BLUE .45ACP

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

### A Springfield XD-S Magazine Designed for CCW Use

While easily carried, the major drawback of Springfield Armory's XD-S handgun lineup is the limited capacity, and this is particularly true of the big-bore .45 ACP models in the lineup. To combat this limitation, it's critical that owners carry a reload, and this XD-S steel magazine is built to handle the stresses of everyday carry. The Springfield Armory XDS steel magazine is designed for use with 9mm models only and have a magazine body made from heat-treated carbon steel. The magazine is treated with a black-oxide finish that combats corrosion and premature wear. Inside each Springfield Armory XDS steel magazine, you'll find a spring formed from heat-treated chrome-silicon wire, as well as an injection-molded follower. The magazines are available with a 8-round capacity and are made in the USA.

### Attributes

- Name: [PRO MAG SPRINGFIELD XDS MAGAZINE 8-RD STEEL BLUE .45ACP](#)
- Manufacturer: [PRO MAG](#)

# Safety Instruction Guide for SPRINGFIELD XDS STEEL MAGAZINE .45ACP

## Introduction

Thank you for purchasing the SPRINGFIELD XDS STEEL MAGAZINE .45ACP. This guide provides essential safety instructions and guidelines to ensure the safe use of your magazine. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model (Springfield XDS).
- Always handle the magazine with care, treating it as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for signs of wear or damage.
- Store the magazine in a cool, dry place away from direct sunlight.
- Follow all local laws and regulations regarding firearm and magazine ownership.

## Specific Safety Precautions for Use

- Always ensure the firearm is pointed in a safe direction when loading or unloading the magazine.
- Do not exceed the magazine's capacity of 8 rounds.
- Avoid using ammunition that is not specified for the magazine (e.g., .45 ACP).
- If the magazine fails to function properly, do not attempt to disassemble it. Contact a qualified gunsmith for assistance.
- Do not expose the magazine to extreme temperatures or moisture, as this can affect its performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Insert the magazine into the magazine well of the firearm until it clicks into place.
- Verify that the magazine is securely attached by gently pulling on it.

### 2. Usage:

- Load the magazine by pressing down on the follower and inserting the .45 ACP cartridges one at a time.
- Ensure that the cartridges are seated properly within the magazine.
- After loading, insert the magazine back into the firearm.
- To unload, remove the magazine from the firearm and press the follower down to remove the cartridges.

## Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Dispose of it safely.
- Recycle materials where applicable, following local recycling guidelines.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your SPRINGFIELD XDS STEEL MAGAZINE .45ACP, please refer to your retailer or manufacturer's website for contact information and additional support.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable experience with your SPRINGFIELD XDS STEEL MAGAZINE .45ACP. Always prioritize safety and responsible handling of firearms and accessories.
