

SPRINGFIELD XDM STEEL MAGAZINES - PRO MAG SPRINGFIELD XDM MAGAZINE 32-RD STEEL BLUE 9MM

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

An Extended Magazine for Your Springfield XDM

For firearm enthusiasts who are used to standard-capacity magazines for today's modern sporting rifles, training with a handgun can be annoying, due to their limited magazine capacity. Stop fighting against recoil springs and spending all your range time reloading! Grab these extended Springfield XDM steel mags for your next training session and get more trigger time. The Springfield XDM steel magazine is designed for use with 9mm models only and have a magazine body made from heat-treated carbon steel. The magazine is treated with a black-oxide finish that combats corrosion and premature wear. Inside each Springfield XDM steel magazine, you'll find a spring formed from heat-treated chrome-silicon wire, as well as an injection-molded follower. The magazines are available with a 25-round or a 32-round capacity and are made in the USA.

Springfield XDM Steel Magazines Safety Instruction Guide

Introduction

Thank you for choosing the Springfield XDM Steel Magazines. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your magazine. Please read this manual carefully before use.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store magazines and firearms securely and out of reach of children.
- Always wear eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect magazines for any signs of damage or wear.
- Follow the manufacturer's instructions for loading and unloading the magazine.

Specific Safety Precautions for Use

- Do not exceed the magazine's specified capacity (32 rounds).
- Only use 9mm Luger ammunition with this magazine.
- Ensure the magazine is properly seated in the firearm before use.
- Avoid using damaged or worn magazines as they may fail to function correctly.
- Do not attempt to disassemble the magazine unless you are trained to do so.
- Keep fingers clear of the magazine's feed lips when loading or unloading.

Instructions for Installation and Usage

1. Loading the Magazine:

- Hold the magazine with the feed lips facing upward.
- Insert the first round at the rear of the magazine.
- Press down on the round and slide it into the magazine until it is secure.
- Repeat this process until the desired capacity is reached, ensuring not to exceed 32 rounds.

2. Installing the Magazine in the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm to ensure it is clear.
- Insert the magazine into the magazine well until it clicks into place.
- Check that the magazine is securely locked in the firearm.

3. Unloading the Magazine:

- Point the firearm in a safe direction.
- Press the magazine release button to remove the magazine from the firearm.
- Carefully remove each round from the magazine, starting from the top.

4. Cleaning and Maintenance:

- Regularly clean the magazine to prevent dirt and debris buildup.

- Use a soft cloth and a suitable solvent to clean the magazine body.
- Inspect the spring and follower for wear and replace if necessary.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- Do not dispose of magazines in regular household waste.
- Contact local authorities or waste management services for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Springfield XDM Steel Magazines, please consult the product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Springfield XDM Steel Magazines. Always prioritize safety and responsible handling of firearms.
