

# SPRINGFIELD XDM STEEL MAGAZINES - PRO MAG SPRINGFIELD XDM MAGAZINE 25-RD STEEL BLUE .45ACP

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

## An Extended Magazine for Your Springfield XDM

For firearm enthusiasts who are used to standard-capacity magazines for today's modern sporting rifles, training with a handgun can be annoying, due to their limited magazine capacity. Stop fighting against recoil springs and spending all your range time reloading! Grab these extended Springfield XDM steel mags for your next training session and get more trigger time. The Springfield XDM steel magazine is designed for use with 9mm models only and have a magazine body made from heat-treated carbon steel. The magazine is treated with a black-oxide finish that combats corrosion and premature wear. Inside each Springfield XDM steel magazine, you'll find a spring formed from heat-treated chrome-silicon wire, as well as an injection-molded follower. The magazines are available with a 25-round or a 32-round capacity and are made in the USA.

# Springfield XDM Steel Magazines Safety Instruction Guide

## Introduction

Thank you for your purchase of the Springfield XDM Steel Magazines. This guide provides important safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the magazines.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model (Springfield XDM).
- Always handle firearms and magazines with care. Treat every firearm as if it is loaded.
- Store magazines and ammunition in a secure location, away from children and unauthorized users.
- Regularly inspect your magazines for signs of wear, damage, or corrosion.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

## Specific Safety Precautions for Use

- Only use the Springfield XDM Steel Magazines with the appropriate caliber (.45 ACP).
- Avoid overloading the magazine beyond its specified capacity (25 rounds).
- Do not attempt to disassemble the magazine for any reason.
- When loading the magazine, ensure that your fingers are clear of the magazine's opening to avoid injury.
- Always point the firearm in a safe direction when inserting or removing the magazine.
- Do not use damaged magazines. If you notice any signs of malfunction or damage, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Hold the magazine with the base facing down.
- Insert the first round into the magazine, ensuring it is seated properly.
- Continue adding rounds until the magazine is filled to the desired capacity (up to 25 rounds).
- Use a magazine loader if available to ease the loading process.

### 2. Inserting the Magazine into the Firearm:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it clicks into place.

### 3. Removing the Magazine from the Firearm:

- Point the firearm in a safe direction.
- Press the magazine release button to disengage the magazine.
- Carefully pull the magazine out of the magazine well.

### 4. Cleaning and Maintenance:

- Regularly clean the magazine to prevent dirt and debris buildup.
- Use a soft cloth and a suitable cleaning solution to wipe down the exterior.
- Inspect the follower and spring for any signs of wear or damage.

## Disposal Instructions

- Dispose of magazines that are damaged or no longer functional in accordance with local regulations.
- Do not throw magazines in regular trash. Consider recycling options if available.
- Ensure that any ammunition is removed from the magazine before disposal.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Springfield XDM Steel Magazines, please reach out to your local retailer or manufacturer. Ensure that you have your purchase information readily available to facilitate any support needed.

## Conclusion

Your safety is paramount when using firearms and related products. By following the guidelines and instructions provided in this manual, you can help ensure a safe and enjoyable experience with your Springfield XDM Steel Magazines. Always prioritize safety and responsible handling practices.
