[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

## A Range of Magazine Capacities for Your Taurus 709 Slim

Looking to bump up your on-board round count for that Taurus 709 Slim? These aftermarket magazines have you covered, thanks to their durable, all-steel construction, allowing you to get more trigger time in at the range and carry more rounds in your everyday-carry kit. The Taurus 709 Slim steel magazine is designed for use with 9mm cartridges only and have a magazine body made from heat-treated carbon steel. The magazine is treated with a black-oxide finish that combats corrosion and premature wear. Inside each Taurus 709 Slim steel magazine, you'll find a spring formed from heat-treated chrome-silicon wire, as well as an injection-molded follower. The magazines are available with a 7-round, 8-round and a 10-round capacity and are made in the USA.

# Safety Instruction Guide for TAURUS 709 SLIM STEEL MAGAZINES 9MM

## Introduction

Thank you for choosing the TAURUS 709 Slim Steel Magazines. This guide provides essential safety instructions to ensure the safe use of your magazines. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that you comply with all relevant laws and regulations regarding firearm accessories in your region.
- Always treat your magazine as if it is loaded, even when you believe it is empty.
- Store magazines and ammunition in a secure location, out of reach of children and unauthorized individuals.
- Regularly inspect your magazines for any signs of wear or damage. Do not use damaged magazines.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the TAURUS 709 Slim Steel Magazines with 9mm cartridges. Using incompatible ammunition can lead to malfunctions or accidents.
- Before loading the magazine, ensure that the firearm is pointed in a safe direction and is not loaded.
- Do not exceed the magazine's specified capacity (7 rounds). Overloading can cause malfunctions.
- Avoid exposing the magazine to extreme temperatures or harsh environments, which can affect its performance.
- Always keep the magazine clean and free from debris to ensure reliable operation.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Hold the magazine with the feed lips facing up.
- Insert the first cartridge into the magazine, pushing it down until it clicks into place.
- Continue to add cartridges, ensuring they are properly seated and not forced.

### 2. Inserting the Magazine into the Firearm:

- Ensure that the firearm is pointed in a safe direction and is not loaded.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it clicks into place.

### 3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button and gently pull the magazine out of the well.

### 4. Cleaning and Maintenance:

- Regularly clean the magazine to remove dirt and debris.
- Use a soft cloth and a suitable cleaning solvent to maintain the magazine's finish.
- Inspect the spring and follower for wear and replace if necessary.

## **Disposal Instructions**

- Dispose of any damaged or worn magazines in accordance with local regulations.
- Do not throw magazines in regular trash. Contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please reach out to the manufacturer or your local authorized dealer.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we wish you a safe and enjoyable experience with your TAURUS 709 Slim Steel Magazines.
