

AR-15 SWISS PATTERN VERTICAL FOREGRIP BLACK - PRO MAG

AR-15 SWISS PATTERN VERTICAL FOREGRIP POLYMER BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

A Swiss-Pattern VFG Built for Your AR-15

Designed for use on today's popular AR-15 carbines, this Swiss-Pattern Vertical Foregrip is built for fast, easy attachment onto today's quad forends or Picatinny rail segments, thanks to an easy-to-attach mount on the grip. The foregrip provides a solid support-hand grip point that keeps your rifle level for fast follow-up shots and also provides for a control point for weapon-mounted lights, lasers and other accessories. Each Swiss-Pattern Vertical Foregrip is made from injection-molded Zytel, a black polymer designed for durability. The entire unit installs with no tools or extra hardware required and is made entirely in the USA.

Safety Instruction Guide for AR15 Swiss Pattern Vertical Foregrip

Introduction

Thank you for choosing the AR15 Swiss Pattern Vertical Foregrip. This product is designed to enhance your shooting experience by providing a secure grip and easy attachment to your AR15 carbine. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure the firearm is unloaded before attaching or removing the foregrip.
- Use the foregrip only as intended. Do not modify the product.
- Keep the product and all accessories out of reach of children and unauthorized users.
- Inspect the foregrip regularly for signs of wear or damage. Do not use if damaged.
- Report any unsafe conditions or accidents to the proper authorities immediately.
- Familiarize yourself with local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure that the foregrip is securely attached to the firearm before use.
- Do not apply excessive force when attaching or detaching the foregrip.
- Avoid using the foregrip in wet or slippery conditions to prevent loss of grip.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.
- Use appropriate eye and ear protection when handling firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the Picatinny rail segment on your AR15 carbine.
- Align the mount on the foregrip with the desired position on the rail.
- Slide the foregrip onto the rail until it is fully seated.
- Verify that the foregrip is securely attached by gently pulling on it.

2. Usage:

- Hold the foregrip firmly with your support hand while aiming the firearm.
- Use the foregrip as a stabilizing point for better control during shooting.
- If using weaponmounted accessories, ensure they are securely attached and functioning properly.

Disposal Instructions

- Dispose of the foregrip in accordance with local regulations for plastic waste.
- Do not incinerate or expose the product to extreme heat.
- If the product is damaged or no longer needed, consider recycling options available in your area.

Contact Information for Further Support

- For questions or concerns regarding the AR15 Swiss Pattern Vertical Foregrip, please reach out to the manufacturer or authorized dealer for assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the AR15 Swiss Pattern Vertical Foregrip!
