## A Purpose-Built Multi-Tool Designed With the AR in Mind

Looking for a do-it-all tool for your workbench? Whether you're building your first AR-15 or upgrading components on your range of rifles, having an all-in-one tool makes building and working on your guns easier than wasting time searching through your toolbox. This AR-15 Carbine Wrench/Multi-tool gives you all the tools you need to perform major work on your gun. Each AR-15 Carbine Wrench/Multi-Tool provides users with a durable castle-nut wrench, receiver-extension removal wrench, A1/A2 flash hider wrench and a bottle opener. The tool is made from durable carbon steel and features a corrosion-resistant black-oxide finish. The tools are all made right here in the USA.

# Safety Instruction Guide for AR15 Carbine Stock Wrench/MultiTool

## Introduction

Thank you for choosing the AR15 Carbine Stock Wrench/MultiTool by PRO MAG. This versatile tool is designed to assist you in building, upgrading, and maintaining your AR15 rifles. To ensure your safety and the safety of others while using this product, please read and follow the guidelines outlined in this manual.

## General Safety Guidelines

- Ensure that the tool is used only for its intended purpose.
- Always wear appropriate safety gear, such as gloves and eye protection, when using the tool.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool before each use for any signs of damage or wear. Do not use if damaged.
- Store the tool in a safe and dry location when not in use.
- Follow all local laws and regulations regarding firearms and tools.

## Specific Safety Precautions for Use

- Use the castlenut wrench and receiverextension removal wrench only as directed to avoid damage to the firearm or injury.
- When using the A1/A2 flash hider wrench, ensure that the firearm is unloaded and pointed in a safe direction.
- Be cautious when using the bottle opener; sharp edges may be present.
- Do not use the tool for any purpose other than what it is designed for to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe position before beginning any work.
- Gather all necessary tools and safety equipment.

### 2. Using the CastleNut Wrench:

- Place the wrench over the castle nut and turn clockwise to tighten or counterclockwise to loosen.
- Apply even pressure to avoid slipping.

### 3. Using the ReceiverExtension Removal Wrench:

- Position the wrench on the receiver extension.
- Turn the wrench to loosen or tighten the extension as needed.

### 4. Using the A1/A2 Flash Hider Wrench:

- Fit the wrench onto the flash hider.
- Rotate to either tighten or loosen the flash hider as required.

### 5. Using the Bottle Opener:

- Position the bottle cap under the opener and apply upward pressure to remove the cap.

## **Disposal Instructions**

- Dispose of the tool in accordance with local regulations.
- If the tool is damaged beyond repair, consider recycling the metal components where possible.
- Do not dispose of the tool in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support, please reach out to the designated EU contact point provided with your product packaging.

## **Conclusion**

Your safety is paramount when using the AR15 Carbine Stock Wrench/MultiTool. By following these guidelines, you can ensure a safe and effective experience while maintaining your firearms. Always remain vigilant and prioritize safety in all your activities.
