Safety Instruction Guide for XLT MAGNUM ULTRASOFT TRAP PAD PACHMAYR XLT TRAP PAD, LARGE

Introduction

Thank you for choosing the XLT MAGNUM ULTRASOFT TRAP PAD by PACHMAYR. This safety instruction guide is designed to help you use this product safely and effectively while ensuring compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the trap pad.

General Safety Guidelines

- Ensure that the trap pad is suitable for your firearm and fits securely.
- Always inspect the trap pad for any damage before use.
- Keep the trap pad out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearms.
- Report any unsafe product experiences or accidents to the relevant authorities.
- Check the EU's Safety Gate platform for any recall updates related to this product.

Specific Safety Precautions for Use

- Do not use the trap pad if it shows signs of wear, damage, or deterioration.
- Ensure that the trap pad is properly installed to prevent it from slipping during use.
- Avoid exposing the trap pad to extreme temperatures or harsh chemicals, which may affect its performance.
- Do not attempt to modify or alter the trap pad in any way.
- When storing the trap pad, keep it in a cool, dry place to maintain its integrity.

Instructions for Installation and Usage

1. Installation:

- Clean the shoulder area of your firearm to ensure proper adhesion of the trap pad.
- Align the trap pad with the shoulder stock of the firearm, ensuring it fits securely.
- Press the trap pad firmly against the shoulder stock, ensuring it adheres properly.
- Allow the trap pad to set for at least 24 hours before using the firearm to ensure a secure fit.

2. Usage:

- When using the firearm, ensure that the trap pad is properly positioned against your shoulder.
- Maintain a firm grip on the firearm to prevent it from slipping.
- After use, inspect the trap pad for any signs of wear or damage before storing.

Disposal Instructions

- Dispose of the trap pad in accordance with local waste disposal regulations.
- Do not incinerate or dispose of the trap pad in a manner that may harm the environment.
- If the trap pad is damaged or no longer usable, consider recycling it if possible.

Contact Information for Further Support

For any inquiries related to safety or product concerns, please refer to the manufacturer's contact information provided with the product packaging.
