Safety Instruction Guide for G10 Tactical Pistol Grips for Ruger 22/45

Introduction

Thank you for choosing the Pachmayr G10 Tactical Pistol Grips for your Ruger 22/45. These grips are designed to enhance your shooting experience by providing improved grip, durability, and aesthetics. This safety instruction guide is designed to help you understand how to use and care for your new grips safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the product.
- Always handle firearms with care and follow all local laws and regulations regarding firearm use.
- Use the grips only as intended and for compatible models (Ruger 22/45).
- Inspect the grips regularly for any signs of wear or damage.
- If you notice any damage or defects, discontinue use immediately and contact the manufacturer.
- Keep the grips out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- Do not expose the grips to extreme temperatures or harsh chemicals, as this may compromise their integrity.
- Avoid using the grips in wet or slippery conditions to maintain optimal handling.
- Always ensure that the firearm is unloaded before installing or adjusting the grips.
- When using cleaning chemicals, ensure that they are safe for use with G10 material to avoid damage.
- Use protective gear, such as gloves and safety glasses, when handling the firearm.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare Your Work Area:** Ensure you are working in a clean, dry, and welllit area.
2. **Unload the Firearm:** Before beginning installation, make sure the Ruger 22/45 is completely unloaded.
3. **Remove Existing Grips:**
 - Use the appropriate screwdriver to remove the screws securing the original grips.
 - Carefully take off the old grips and set them aside.
4. **Align the New Grips:**
 - Position the Pachmayr G10 Tactical Grips onto the frame of the Ruger 22/45.
 - Ensure that the grips are aligned correctly with the screw holes.
5. **Secure the New Grips:**
 - Insert and tighten the screws using the screwdriver, ensuring not to overtighten.
 - Check that the grips are firmly attached and do not move.
6. **Final Inspection:** Ensure that everything is secure and that there are no gaps between the grips and the firearm.

Usage Instructions

- Once installed, hold the firearm with both hands, ensuring a firm grip on the G10 grips.
- Practice safe shooting techniques and maintain focus on your target.
- Regularly check the grip for any signs of wear or loosening screws during use.

Disposal Instructions

- Dispose of the grips in accordance with local regulations regarding plastic and composite materials.
- Do not dispose of the grips in regular household waste if local laws prohibit it.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any inquiries or support regarding the Pachmayr G10 Tactical Pistol Grips, please refer to the manufacturer's contact details provided with your product. It is important to seek assistance for any concerns or issues you may encounter.

By following these safety guidelines and instructions, you can enjoy the benefits of your new Pachmayr G10 Tactical Pistol Grips while ensuring a safe and responsible shooting experience. Thank you for your attention to safety.
