# Safety Instruction Guide for Pachmayr Renegade Wood Laminate Grips for S&W J Frame

## Introduction

Thank you for choosing the Pachmayr Renegade Wood Laminate Grips for your Smith & Wesson J Frame revolver. This guide provides essential safety instructions to ensure your product is used safely and effectively. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your revolver before installing the grips.
- Always handle your firearm with care and treat it as if it is loaded.
- Keep the grips and firearm away from children and unauthorized users.
- Inspect the grips regularly for any signs of wear or damage.
- If you notice any defects or issues, stop using the grips immediately and contact a qualified professional.

## Specific Safety Precautions for Use

- Always ensure that the revolver is unloaded before attempting to install or remove the grips.
- Use appropriate tools when installing the grips to prevent injury or damage.
- Avoid placing any pressure on the grips that could cause them to crack or break.
- Be cautious of the checkered finish, as it may cause minor abrasions if handled improperly.
- Do not modify or alter the grips in any way, as this may compromise safety and performance.
- Store your revolver in a secure location when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the revolver is unloaded and pointed in a safe direction.
- Remove the existing grips by unscrewing the grip screws using a suitable screwdriver.
- Align the Pachmayr Renegade Wood Laminate Grips with the frame of the revolver.
- Secure the grips in place by tightening the grip screws, ensuring they are snug but not overtightened to avoid cracking.
- Check the fit and feel of the grips to ensure they are properly installed.

### 2. Usage:

- Grip the revolver firmly but not excessively to maintain control during operation.
- Practice safe handling techniques, including keeping your finger off the trigger until ready to shoot.
- Regularly check the grip's condition and ensure it remains secure during use.

## Disposal Instructions

- Dispose of the grips in accordance with local regulations regarding wood and plastic waste.
- Do not dispose of the grips in fire, as this may release harmful fumes.
- If the grips are damaged beyond use, consider recycling them at a facility that accepts composite materials.
