# Safety Instruction Guide for Pachmayr Renegade Wood Laminate Grips S&W N Frame

## Introduction

Thank you for choosing Pachmayr Renegade Wood Laminate Grips for your Smith & Wesson N Frame revolver. These grips are designed to enhance both the look and functionality of your firearm. This guide provides essential safety instructions and guidelines to ensure safe use and installation of your new grips in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that your firearm is unloaded before installing or handling the grips.
- Keep the grips and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the grips for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the grips are compatible with your specific model (Smith & Wesson N Frame).
- Avoid using the grips on firearms that are not designed for them.
- Do not attempt to modify the grips in any way, as this can compromise safety and performance.
- Be aware of the improved texture of the grips; they may feel different from your original grips, which could affect handling.
- Do not expose the grips to extreme temperatures or chemicals that may damage the wood laminate.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your Smith & Wesson N Frame revolver is completely unloaded.
- Gather necessary tools: a screwdriver suitable for the grip screws.

### 2. Removing the Old Grips:

- Locate the screws securing the factory grips to the revolver.
- Using the screwdriver, carefully remove the screws and set them aside.
- Gently pull off the old grips from the frame of the revolver.

### 3. Installing the New Grips:

- Align the Pachmayr Renegade Wood Laminate Grips with the frame of the revolver.
- Ensure that the grips fit securely against the frame without any gaps.
- Insert the screws into the designated holes and tighten them gently but securely.
- Do not overtighten, as this may damage the grips or the revolver.

### 4. Final Checks:

- Once installed, check the grips for stability and ensure they do not move or shift.
- Test the revolver's functionality to ensure that the grips do not interfere with operation.

### 5. Usage:

- Use your revolver responsibly and always follow safe handling practices.
- Regularly check the grips for wear and ensure they remain securely attached.

## **Disposal Instructions**

- Dispose of any old grips and packaging materials in accordance with local regulations.
- Do not throw grips in regular household waste if they are damaged or contain hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the installation, usage, or safety of your Pachmayr Renegade Wood Laminate Grips, please reach out to the manufacturer or authorized retailers for assistance. Always refer to the product documentation for the most accurate and detailed information.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Pachmayr Renegade Wood Laminate Grips S&W N Frame. Thank you for your attention to safety!
