D752 Decelerator Recoil Pad Safety Instructions

Introduction

Thank you for choosing the D752 Decelerator Recoil Pad by Pachmayr. This product is designed to enhance your shooting experience by providing comfort and reducing recoil. To ensure safe and effective use, please read and follow the safety guidelines and instructions outlined in this document.

General Safety Guidelines

- Always inspect the recoil pad for damage before use. Do not use if the pad is worn or compromised.
- Ensure that the recoil pad is compatible with your firearm before installation.
- Keep the recoil pad out of reach of children and vulnerable individuals when not in use.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the recoil pad for purposes other than its intended use.
- Avoid using the pad in wet conditions, as moisture can affect its performance and durability.
- Ensure that the firearm is unloaded before installing or adjusting the recoil pad.
- Be aware of your surroundings and ensure a safe shooting environment when using your firearm equipped with the recoil pad.
- If you experience discomfort or pain while using the recoil pad, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing recoil pad if applicable, following the manufacturer's instructions.
- Align the D752 Decelerator Recoil Pad with the stock of your firearm.
- Secure the pad using the provided screws or attachment method, ensuring it is tightly fastened.
- Doublecheck that the pad is securely attached before using the firearm.

2. Usage:

- When ready to shoot, assume a stable shooting position.
- Place the recoil pad firmly against your shoulder to absorb recoil effectively.
- Maintain a firm grip on the firearm while aiming and shooting.
- After shooting, inspect the recoil pad for any signs of wear or damage.

Disposal Instructions

- Dispose of the recoil pad responsibly. Check local regulations for guidelines on disposing of rubber and leather products.
- Do not incinerate the recoil pad, as it may release harmful substances when burned.
- Consider recycling options if available in your area.
