Safety Instruction Guide for D200B/D500B UltraLight Field Pad

Introduction

Thank you for choosing the D200B/D500B UltraLight Field Pad by PACHMAYR. This guide provides essential safety information and usage instructions to ensure your safety and the proper functioning of the product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Be aware of potential hazards associated with improper use.
- Check for recalls or safety alerts related to this product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to your local authorities.
- Keep the product out of reach of children to prevent accidents.

Specific Safety Precautions for Use

- Always inspect the pad for any signs of damage before use. Do not use if damaged.
- Ensure the pad is securely attached to the firearm before use.
- When shouldering the firearm, maintain a firm grip to prevent slipping.
- Avoid using the pad in wet or slippery conditions to reduce the risk of accidents.
- Do not exceed the recommended weight limits of the firearm when using the pad.
- Use the pad only with firearms designed to accommodate it.

Instructions for Installation and Usage

Installation

1. **Prepare the Pad:** Ensure the pad is clean and free from debris.
2. **Align the Pad:** Position the pad on the firearm stock, aligning it with the predrilled holes.
3. **Secure the Pad:** Use the two (2) mounting screws included with the pad to secure it firmly.
4. **Check Stability:** After installation, check that the pad is stable and does not move.

Usage

- When shouldering the firearm, ensure the concave face of the pad is against your shoulder for optimal grip.
- Adjust your stance and grip as needed to maintain control of the firearm.
- Practice shouldering the firearm in a safe environment to become familiar with the pad's functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations for rubber products.
- Do not dispose of the pad in regular household waste. Check for recycling options in your area.
- Ensure that any packaging materials are also disposed of properly.

Contact Information for Further Support

For any inquiries regarding safety and product information, please refer to the manufacturer's contact details provided with your product packaging.

By following these guidelines, you can ensure a safer and more enjoyable experience with your D200B/D500B UltraLight Field Pad. Thank you for your attention to safety.
