Safety Instruction Guide for the D200B/D500B UltraLight Field Pad

Introduction

Thank you for choosing the D200B/D500B UltraLight Field Pad by Pachmayr. This product is designed to enhance your shooting experience by providing a secure and comfortable shoulder fit for rimfire and lowrecoil firearms. To ensure your safety and the best performance of this product, please read and follow the safety guidelines and instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the pad.
- Use the pad only on compatible firearms as specified by the manufacturer.
- Inspect the pad regularly for signs of wear or damage before each use.
- Keep the pad out of reach of children and vulnerable individuals to prevent accidental use.
- Report any unsafe conditions or incidents involving this product to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the pad is securely mounted to the firearm before use.
- Avoid using the pad in extreme weather conditions that may affect its performance.
- Do not exceed the recommended thickness and size specifications for your firearm.
- Be cautious of any slippery surfaces when shouldering the firearm with the pad.
- If you experience any discomfort or instability while using the pad, discontinue use immediately.

Instructions for Installation and Usage

1. Installation:

- Gather the necessary tools: a screwdriver and the two (2) mounting screws included with the pad.
- Ensure that the firearm is unloaded and safe to handle.
- Align the pad with the stock of the firearm, ensuring a snug fit.
- Use the provided mounting screws to secure the pad in place. Tighten screws carefully without overtightening, which may damage the pad or firearm.
- Verify that the pad is securely attached before proceeding to use the firearm.

2. Usage:

- Position the firearm comfortably against your shoulder, ensuring that the pad is making full contact with your shoulder.
- Adjust your grip and stance as necessary to maintain stability and control while aiming and shooting.
- After use, remove the firearm from your shoulder carefully to avoid any accidental slips.

Disposal Instructions

- Dispose of the pad in accordance with local regulations regarding rubber and plastic waste.
- Do not dispose of the pad in regular household waste if local laws prohibit it.
- Consider recycling options if available in your area.
