

TACTICAL GRIP GLOVE - GRIP GLOVE, M&P

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Absorbs Recoil, Prevents Slippage

Recoil-absorbing, soft rubber sleeve offers a contoured, non-slip grip that dramatically improves shooting comfort and accuracy from your semi-auto duty pistol. Finger grooves and a slight palm swell help reduce felt recoil and muzzle jump for fast, accurate follow-up shots. Vertical and horizontal serrations provide a textured surface that's comfortable and easy-to-hold, especially during long periods in the ready position. Slides over pistol grip.

Attributes

- Name: [GRIP GLOVE, M&P](#)

TACTICAL GRIP GLOVE Safety Instruction Guide

Introduction

Thank you for choosing the TACTICAL GRIP GLOVE, designed to enhance your shooting experience with improved grip and comfort. This guide provides important safety information to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the TACTICAL GRIP GLOVE is suitable for your firearm model before use.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the glove away from children and unauthorized users.
- Regularly inspect the glove for wear and tear, and replace it if damaged.
- Follow all safety instructions provided by the firearm manufacturer in addition to this guide.

Specific Safety Precautions for Use

- Before using the glove, ensure that your firearm is unloaded.
- Do not use the glove if it is wet or damaged, as this may impair grip and safety.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- Avoid using the glove with firearms that are not compatible as specified in the product specifications.
- Do not modify the glove in any way, as this may compromise its safety features.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded.
- Clean the grip area of your firearm to remove any dirt or oil.

2. Installation:

- Align the TACTICAL GRIP GLOVE with the grip of your firearm.
- Slide the glove over the grip, ensuring it fits snugly and securely.
- Check for proper alignment and coverage of the grip.

3. Usage:

- Grip the firearm with the glove in place, ensuring a firm hold.
- Practice shooting in a safe environment to familiarize yourself with the enhanced grip and comfort.
- Maintain awareness of your grip and adjust as necessary during use.

Disposal Instructions

- Dispose of the TACTICAL GRIP GLOVE in accordance with local regulations.
- If the glove is no longer usable, consider recycling if possible, or dispose of it in general waste.
- Do not burn or incinerate the glove, as this may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding the TACTICAL GRIP GLOVE, please consult the manufacturer or your local retailer for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your TACTICAL GRIP GLOVE. Always prioritize safety and responsible firearm handling.
