

# SPEED LOADER - PACHMAYR S&W J FRAME SPEED LOADER 5 ROUND

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Cylinder Speedloaders](#)

## Reload With Speed and Precision

The Pachmayr Speed Loader is a must-have accessory for any Smith & Wesson revolver aficionado, allowing them to reload their wheelguns with an unprecedented level of speed and precision. The Pachmayr Speed Loader are built to withstand nearly anything, thanks to its all-aluminum construction. The loaders are machined with an external polygonal shape, which is optimized to minimize their external dimensions, ensuring that they won't butt up against the frame of a revolver. Operates with easy-to-use twist-release knob  
Capacity: 5 rounds Designed for competition use The Pachmayr Speed Loader is available for Smith & Wesson J-Frame.

# Safety Instruction Guide for Pachmayr Speed Loader S&W J Frame

## Introduction

Thank you for choosing the Pachmayr Speed Loader for your Smith & Wesson J Frame revolver. This guide provides essential safety instructions to ensure the safe and effective use of your speed loader. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the speed loader is used only with compatible Smith & Wesson J Frame revolvers.
- Always keep the speed loader away from children and unauthorized users.
- Inspect the speed loader regularly for any signs of damage or wear.
- Do not use the speed loader if it appears damaged.
- Follow all local laws and regulations regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

- Always handle the speed loader with care, treating it as you would any firearm accessory.
- Ensure that the revolver is unloaded before using the speed loader.
- Use the twistrelease knob gently to avoid any accidental release of the ammunition.
- Avoid using excessive force when loading or unloading rounds.
- Store the speed loader in a safe and secure location when not in use.

## Instructions for Installation and Usage

### 1. Loading the Speed Loader:

- Hold the speed loader in one hand and the ammunition in the other.
- Align the cartridges with the chambers of the speed loader.
- Gently push the cartridges into the loader until they are securely in place.

### 2. Using the Speed Loader:

- Ensure your revolver is pointed in a safe direction.
- Open the cylinder of your revolver.
- Place the speed loader against the cylinder, aligning the cartridges with the chambers.
- Use the twistrelease knob to release the cartridges into the chambers.
- Close the cylinder of the revolver securely.

### 3. Unloading the Speed Loader:

- To unload, twist the release knob in the opposite direction while holding the speed loader over a safe surface.
- Ensure that the cartridges fall freely and do not get stuck.

## Disposal Instructions

- Dispose of the speed loader in accordance with local regulations.
- If the speed loader is damaged, consider recycling the aluminum material where applicable.
- Do not dispose of the speed loader with household waste.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Pachmayr Speed Loader, please reach out to the designated EU contact point associated with this product. Ensure you have the product details ready for reference.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Pachmayr Speed Loader. Always prioritize safety and responsible handling of your firearm accessories. Thank you for your attention to these important safety measures.
