Safety Instruction Guide for SMITH & WESSON J FRAME G10 GRIPS

Introduction

Thank you for choosing the SMITH & WESSON J FRAME G10 GRIPS. This guide provides important safety information and instructions for the proper use and care of your grips. Please read this guide thoroughly before using the product to ensure safe and effective operation.

General Safety Guidelines

- Ensure that the grips are compatible with your specific Smith & Wesson JFrame model.
- Always handle your firearm with care and follow all safety protocols.
- Keep the grips and the firearm out of reach of children and unauthorized users.
- Regularly inspect the grips for any signs of wear or damage. Replace them if necessary.
- Do not use the grips if they show any signs of damage or if they do not fit securely on the firearm.

Specific Safety Precautions for Use

- When installing or removing the grips, ensure the firearm is unloaded and pointed in a safe direction.
- Avoid using excessive force when tightening or loosening screws to prevent damage to the grips or the firearm.
- Do not expose the grips to extreme temperatures or harsh chemicals, as this may compromise their integrity.
- If you experience any discomfort or difficulty while using the grips, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing grips from your Smith & Wesson JFrame by unscrewing the screws that hold them in place.
- Align the new SMITH & WESSON J FRAME G10 GRIPS with the grip frame of the firearm.
- Secure the grips in place by tightening the screws gently. Ensure they are snug but do not overtighten.
- Doublecheck that the grips are firmly attached and do not shift when handling the firearm.

2. Usage:

- Practice safe handling of your firearm at all times.
- Use the grips to improve your grip and control while aiming and firing.
- Regularly clean the grips with a mild soap and water solution. Avoid abrasive cleaners that may damage the surface.

Disposal Instructions

- Dispose of any damaged grips in accordance with local regulations.
- If the grips can no longer be used, consider recycling them if possible. Check with local recycling facilities for proper disposal methods.
