A Shotgun Grip Designed to Reduce Recoil on Shockwave-Style Guns

Mossberg revolutionized the shotgun world with the launch of its 590 Shockwave platform, and several manufacturers followed with the unique birdshead-style configuration of these shortened shotshell-firing firearms. However, the grip design on most factory guns pack some powerful kick, so Pachmayr developed its Tactical Grip Glove as an aftermarket option designed to reduce felt recoil. Each Pachmayr Tactical Grip Glove is a slip-on addition that provides enhanced control while also softening the recoil blow on the palm of a shooter's hand. The grip is textured with a special, non-slip rubber that promotes increased control, and the thicker pad allows for more comfortable shooting.

TACTICAL GRIP GLOVE SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Pachmayr Tactical Grip Glove designed for the Mossberg Shockwave and Remington TAC14. This product is designed to enhance your shooting experience by providing improved grip and reducing felt recoil. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the Tactical Grip Glove is compatible with your firearm before use.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Store your Tactical Grip Glove and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect your Tactical Grip Glove for signs of wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- **Grip Control:** Ensure that your hands are dry and clean before using the Tactical Grip Glove to maintain optimal grip control.
- **Recoil Management:** Understand that while the Tactical Grip Glove reduces felt recoil, it does not eliminate it. Always brace yourself appropriately when firing.
- **Shooting Position:** Use a proper shooting stance to maximize control and minimize the risk of injury.
- **Age Restrictions:** This product is intended for adult use. Keep out of reach of children and individuals who are not trained in firearm safety.
- **Training:** If you are inexperienced with firearms, seek training from a qualified instructor before use.

Instructions for Installation and Usage

Installation

1. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Clean the Grip Area:** Wipe the grip area of your firearm to remove any dirt or oil.
3. **Align the Grip Glove:** Position the Tactical Grip Glove over the grip of your firearm, ensuring it fits snugly.
4. **Slip On:** Gently slide the Tactical Grip Glove onto the grip, ensuring it is fully seated.
5. **Check Fit:** Ensure that the Tactical Grip Glove is securely in place and does not obstruct any controls of the firearm.

Usage

1. **Hold the Firearm:** Grip the firearm firmly with both hands, ensuring that your fingers wrap around the Tactical Grip Glove.
2. **Fire Safely:** When ready to shoot, maintain a proper stance and aim, then pull the trigger while ensuring control of the firearm.
3. **PostFiring:** After firing, keep the firearm pointed in a safe direction and check for any malfunctions or issues.

Disposal Instructions

- Dispose of the Tactical Grip Glove in accordance with local regulations for rubber products.
- If the Tactical Grip Glove is damaged beyond use, consider recycling options if available.
- Do not dispose of the product in regular household waste if local regulations prohibit it.

Contact Information for Further Support
