Safety Instruction Guide for SHOCK SHIELD GEL SLIP ON PAD

Introduction

Thank you for choosing the SHOCK SHIELD GEL SLIP ON PAD by PACHMAYR. This product is designed to enhance your shooting experience by reducing recoil. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Always ensure that the SHOCK SHIELD GEL SLIP ON PAD is properly fitted to your rifle or shotgun before use.
- Inspect the pad regularly for any signs of wear or damage. Do not use if the pad is compromised.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental use.
- If you experience any discomfort or adverse reactions while using the pad, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- The pad is designed for use with most rifles and shotguns. Ensure compatibility before use.
- Do not use the pad on firearms that are not properly maintained or in good working condition.
- Avoid using the pad in extreme temperatures or conditions that may affect its performance.
- Ensure that the nonslip pad face texture is clean and free from debris to maintain grip.

Instructions for Installation and Usage

1. Installation:

- Remove the SHOCK SHIELD GEL SLIP ON PAD from its packaging.
- Stretch the pad gently and slide it onto the stock of your rifle or shotgun.
- Ensure that the pad is positioned securely and fits snugly against the stock.

2. Usage:

- Before firing, doublecheck that the pad is securely attached and correctly positioned.
- When using the firearm, maintain a firm grip on the stock to maximize the effectiveness of the pad.
- After use, check the pad for any signs of wear or damage.

Disposal Instructions

- Dispose of the SHOCK SHIELD GEL SLIP ON PAD in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or support regarding the SHOCK SHIELD GEL SLIP ON PAD, please refer to the manufacturer's contact details provided with the product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your SHOCK SHIELD GEL SLIP ON PAD. Stay informed about product safety and always prioritize your wellbeing while using firearms.
