# Safety Instruction Guide for PROFESSIONAL GRIPS PACHMAYR MODEL SKCP SMITH & WESSON "K/L" ROUND BUTT

## Introduction

Thank you for choosing the PROFESSIONAL GRIPS PACHMAYR MODEL SKCP for your Smith & Wesson "K/L" round butt firearm. This guide provides essential safety instructions and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before using the product.

## General Safety Guidelines

- Always handle your firearm with care and ensure it is unloaded when fitting or adjusting grips.
- Be aware of your surroundings and ensure you are in a safe environment when handling your firearm.
- Follow all local laws and regulations regarding firearms and their accessories.
- Store the grips and firearm in a secure location away from children and unauthorized users.
- Regularly inspect the grips for any signs of wear or damage. If any damage is noted, discontinue use immediately.
- In case of any malfunction or safety concern, consult a qualified gunsmith or contact the manufacturer for assistance.

## Specific Safety Precautions for Use

- Ensure that the grips are compatible with your specific model of Smith & Wesson firearm.
- The grips are designed for users with smaller hands and shorter fingers. If you do not fit this description, consider alternative grips.
- Do not modify or alter the grips in any way, as this may compromise safety and performance.
- Avoid using the grips in extreme temperatures or harsh environmental conditions, as this may affect their integrity.
- The grips feature a checkered, nonslip surface; however, always ensure a firm grip on your firearm during use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grips from your Smith & Wesson firearm by unscrewing the grip screws.
- Align the new PROFESSIONAL GRIPS PACHMAYR MODEL SKCP onto the firearm's frame.
- Secure the grips by tightening the grip screws until snug. Do not overtighten, as this may damage the grips or firearm.

### 2. Usage:

- When using the firearm, maintain a proper grip to ensure control and stability.
- Regularly check the grip screws to ensure they remain tight during use.
- If you experience any discomfort while using the grips, stop using them immediately and consult a specialist.

## **Disposal Instructions**

- Dispose of any damaged or worn grips in accordance with local waste disposal regulations.
- If the grips are still in good condition but no longer needed, consider donating them to a local shooting club or organization that accepts used firearm accessories.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the PROFESSIONAL GRIPS PACHMAYR MODEL SKCP, please refer to the manufacturer's official contact points available online.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your PROFESSIONAL GRIPS PACHMAYR MODEL SKCP. Always prioritize safety and compliance with local laws when handling firearms and accessories. Thank you for your attention to these important safety measures.
