

# TAURUS COMPACT PUBLIC DEFENDER DIAMOND PRO GRIPS - PACHMAYR TAURUS COMPACT PUBLIC DEFENDER DIAMOND PRO GRIP, METAL FRAME

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

For the Taurus Public Defender, Pachmayr is proud to introduce the newest additions to our new Diamond Pro Series revolver grips. These soft grips replace standard factory models by easily slipping over and fully wrapping around the revolver's grip frame with no gaps or seams. This new line of revolver grips is designed to set the new standard with a modern look, and the extreme comfort and control shooters have come to expect from Pachmayr.

# Safety Instruction Guide for TAURUS COMPACT PUBLIC DEFENDER DIAMOND PRO GRIPS

## Introduction

Thank you for choosing the Taurus Compact Public Defender Diamond Pro Grips by Pachmayr. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure your safety and satisfaction with the product. Please read this document carefully before using the grips.

## General Safety Guidelines

- Ensure that the grips are compatible with your Taurus Compact Public Defender model before installation.
- Always handle your firearm with care, following all safety protocols.
- Keep the grips out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the grips for any signs of wear or damage and replace them if necessary.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or removing the grips.
- Avoid using the grips in wet or humid conditions to maintain their integrity.
- Do not modify the grips in any way, as this may compromise their safety and functionality.
- Use only the recommended cleaning products to maintain the grips; harsh chemicals may damage the material.
- If you experience any discomfort or issues while using the grips, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Carefully remove the existing grips from the Taurus Compact Public Defender.
- Align the Diamond Pro Grips with the grip frame, ensuring they fit snugly.
- Slide the grips over the grip frame, ensuring a secure fit with no gaps or seams.
- Check that the grips are properly installed and do not interfere with the operation of the firearm.

### 2. Usage:

- Hold the firearm securely by the grip, ensuring your fingers are not on the trigger until you are ready to fire.
- Maintain a proper shooting stance and grip to enhance control and comfort.
- Regularly check the grips during use to ensure they remain secure.

## Disposal Instructions

- Dispose of the grips responsibly in accordance with local regulations.
- If the grips are damaged or no longer usable, consider recycling them if applicable.
- Do not burn the grips, as this may release harmful substances.

## Contact Information for Further Support

For any inquiries or support related to the Taurus Compact Public Defender Diamond Pro Grips, please consult the manufacturer's website or contact their customer service.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and enjoyable experience with your new grips.
