

# TAURUS COMPACT PUBLIC DEFENDER DIAMOND PRO GRIPS - PACHMAYR TAURUS COMP PUBLIC DEFENDER DIAMOND PRO GRIP,POLYMER FRAME

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

For the Taurus Public Defeender, Pachmayr is proud to introduce the newest additions to our new Diamond Pro Series revolver grips. These soft grips replace standard factory models by easily slipping over and fully wrapping around the revolver's grip frame with no gaps or seams. This new line of revolver grips is designed to set the new standard with a modern look, and the extreme comfort and control shooters have come to expect from Pachmayr.

# Safety Instruction Guide for TAURUS COMPACT PUBLIC DEFENDER DIAMOND PRO GRIPS

## Introduction

Thank you for choosing the Pachmayr Taurus Compact Public Defender Diamond Pro Grips. This guide provides essential safety instructions and information to ensure the safe use and installation of your new grips. Please read this document carefully before use to understand all safety precautions and guidelines.

## General Safety Guidelines

- Ensure that the grips are compatible with your Taurus Compact Public Defender model before installation.
- Always handle your firearm with care and follow all standard firearm safety rules.
- Keep the grips out of reach of children and other vulnerable individuals.
- Regularly inspect the grips for wear and damage. Do not use if any part is compromised.
- Be aware of your surroundings when handling firearms equipped with these grips.
- Report any unsafe product experiences or accidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure the firearm is unloaded before attempting to install the grips.
- Use appropriate tools as recommended in the installation instructions to avoid damaging the grips or firearm.

### • Handling Precautions:

- Avoid using the firearm in wet or slippery conditions to maintain grip control.
- Do not modify the grips in any way, as this may compromise safety and performance.

### • Storage Precautions:

- Store the firearm in a secure location when not in use.
- Ensure that the grips are clean and dry before storing the firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your Taurus Compact Public Defender is unloaded.
- Gather necessary tools (if required) for grip installation.

### 2. Installation Steps:

- Remove the existing grips from the firearm by unscrewing them carefully.
- Take the new Pachmayr Diamond Pro Grips and align them with the grip frame of the firearm.
- Slip the grips over the grip frame, ensuring they fully wrap around with no gaps or seams.
- Secure the grips in place according to the manufacturer's specifications, making sure they are tightly fitted.

### 3. Usage:

- Once installed, hold the firearm using the new grips and ensure comfort and control.
- Familiarize yourself with the feel of the new grips before using the firearm in practice or live situations.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly and in accordance with local waste disposal regulations.
- If you need to dispose of the grips, check with local regulations for proper disposal methods to prevent environmental harm.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your Pachmayr Taurus Compact Public Defender Diamond Pro Grips, please refer to the manufacturer's contact information provided in the product packaging or the official website.

By following these guidelines, you can ensure a safe and enjoyable experience with your new grips. Thank you for your attention to safety and responsible firearm handling.
