

HOLD DOWN CLAMP

[Gunsmith Tools & Supplies](#) > [Sight & Scope Installation Tools](#) > [Sight Movers](#)

Hold Down Clamp helps prevent the slide from twisting in the frame of the P500 by applying extra force to the top of the slide. Provides a secure seat in the tool when working with hard-to-remove sights or slides with angled sides, like the Springfield Armory XD and the S&W M&P.

HOLD DOWN CLAMP Safety Instruction Guide

Introduction

Thank you for choosing the HOLD DOWN CLAMP. This product is designed to enhance your experience while working with firearms, specifically by preventing the slide from twisting in the frame of the P500. This guide provides important safety information, usage instructions, and disposal guidelines to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the HOLD DOWN CLAMP and follow all instructions provided.
- **Enhanced Recalls:** Stay informed about any recall notices related to the HOLD DOWN CLAMP to ensure your safety.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, contact the manufacturer or authorized distributor.
- **Rapid Alerts:** Regularly check for updates on unsafe products via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always use the HOLD DOWN CLAMP as intended, following the provided instructions.
- Inspect the clamp for any damage before use. Do not use if damaged.
- Ensure that the tool is stable and secure before applying force.
- Keep hands and other body parts clear of the clamp's operational area during use.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Do not modify the HOLD DOWN CLAMP in any way, as this may compromise safety.
- Store the clamp in a safe place when not in use to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all components, including the clamp assembly and instructions.
- Gather necessary tools and set up in a welllit, safe workspace.

2. Installation:

- Position the HOLD DOWN CLAMP on the top of the slide, ensuring it is correctly aligned.
- Secure the clamp according to the instructions provided in the assembly manual.
- Doublecheck that the clamp is firmly in place before proceeding.

3. Usage:

- Apply force gently to avoid damaging the slide or the clamp.
- If using with hardtoremove sights or slides, ensure that the angle is appropriate for the tool.
- Monitor the clamp during use to ensure it remains secure and does not shift.

4. PostUse:

- Carefully remove the clamp after completing the task.
- Clean the clamp and store it in a dry place to prevent rust or corrosion.

Disposal Instructions

- Dispose of the HOLD DOWN CLAMP in accordance with local regulations.
- If the product is no longer usable, consider recycling it if possible.
- Do not dispose of the clamp in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the HOLD DOWN CLAMP, please reach out to the manufacturer or authorized distributor. Ensure you have your product information ready for efficient assistance.

Thank you for prioritizing safety while using the HOLD DOWN CLAMP. Your adherence to these guidelines will help ensure a safe and effective experience.
