# PANAVISE NO. 303 HEAD Safety Instruction Guide

## Introduction

Thank you for choosing the PANAVISE NO. 303 HEAD. This versatile tool is designed to securely hold work in any imaginable position, allowing for rotation through 360° and tilting up to 180°. To ensure safe and effective use of this product, please read and follow the safety guidelines and instructions provided in this manual.

## General Safety Guidelines

- Always use the PANAVISE NO. 303 HEAD in accordance with the manufacturer's instructions.
- Ensure that the workpiece is securely clamped before beginning any work.
- Inspect the tool before each use for any damages or wear that may affect safety.
- Keep the work area clean and free from any hazards that may cause accidents.
- Do not exceed the maximum clamping capacity of the jaws.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when necessary.
- Ensure that the tool is used in a welllit area to avoid accidents.
- Store the tool in a safe place when not in use to prevent unauthorized access, especially by children.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of pinching fingers when adjusting the jaws.
- Risk of the workpiece slipping if not properly secured.
- Risk of injury from sharp edges on the workpiece.

- **Instructions for Avoiding Hazards:**

- Keep hands clear of the jaws when adjusting or securing the workpiece.
- Always doublecheck that the workpiece is securely clamped before starting work.
- Use caution when handling sharp or heavy materials.

- **AgeSpecific Warnings:**

- This product is not intended for use by children. Ensure that it is kept out of reach of minors.

## Instructions for Installation and Usage

### 1. Installation:

- Place the PANAVISE NO. 303 HEAD on a stable work surface.
- Secure the base of the vise to prevent movement during use, if necessary.

### 2. Usage:

- Open the jaws by turning the adjusting screw counterclockwise.
- Insert the workpiece between the jaws and adjust the width to fit snugly.
- Tighten the adjusting screw by turning it clockwise until the workpiece is securely held.
- Utilize the rotating and tilting features as needed for your project.
- After completing your work, loosen the adjusting screw and remove the workpiece.

## Disposal Instructions

- Dispose of the PANAVISE NO. 303 HEAD in accordance with local regulations.
- If the product is no longer usable, consider recycling the metal components where possible.
- Do not dispose of the product in household waste.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or support related to the PANAVISE NO. 303 HEAD, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for prioritizing safety while using the PANAVISE NO. 303 HEAD. Enjoy your work and stay safe!
