Safety Instruction Guide for SHOTGUN SHELL CASE12 & 16 GAUGE

Introduction

Thank you for choosing the SHOTGUN SHELL CASE12 & 16 GAUGE from PLANO MOLDING COMPANY. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure safe handling and storage of your shotgun shells. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the case is used only for storing 12 or 16 gauge shotgun shells.
- Always keep the case out of reach of children and vulnerable individuals.
- Regularly inspect the case for any signs of damage or wear. Do not use if damaged.
- Store the case in a cool, dry place away from direct sunlight and extreme temperatures.
- Follow local laws and regulations regarding the storage and handling of ammunition.

Specific Safety Precautions for Use

- Only load the case with a maximum of 25 rounds of 12 or 16 gauge shells.
- Ensure that the flip top is securely closed when not in use to prevent accidental opening.
- Avoid overloading the case with ammunition beyond its specified capacity.
- Do not expose the case to water or moisture to prevent damage to the case and its contents.
- Handle ammunition with care and follow all safety protocols related to firearms and ammunition.

Instructions for Installation and Usage

1. Loading the Case

- Open the flip top of the case.
- Carefully load up to 25 rounds of 12 or 16 gauge shells into the designated slots.
- Ensure that the shells are seated properly and that the case is not overfilled.

2. Using the Case

- To access the shells, simply flip open the top of the case.
- Always ensure that you are in a safe environment when retrieving shells from the case.

3. Closing the Case

- After use, securely close the flip top to protect the shells from dust and moisture.
- Store the case in a safe location, away from children and unauthorized users.

Disposal Instructions

- When disposing of the SHOTGUN SHELL CASE, ensure that it is done in accordance with local regulations.
- If the case is damaged or no longer usable, consider recycling options where available.
- Do not dispose of the case in regular household waste if it contains any ammunition.
