Safety Instruction Guide for HOPPES Lubricating Gun Oil Field Wipes

Introduction

Thank you for choosing HOPPES Lubricating Gun Oil Field Wipes. These wipes are designed to provide a fast and effective way to clean and maintain small arms and rifles in allweather conditions. This guide contains important safety information and instructions for the safe use of this product, ensuring compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read the instructions and safety information before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Do not use the product if the packaging is damaged or if the wipes appear dry or discolored.
- In case of accidental contact with eyes or skin, rinse thoroughly with water.
- Dispose of used wipes responsibly and in accordance with local regulations.

Specific Safety Precautions for Use

- Avoid contact with open flames or sparks as the product contains flammable materials.
- Ensure adequate ventilation when using the wipes, especially in enclosed spaces.
- Do not ingest the product. If ingested, seek medical attention immediately.
- Do not use on electrical equipment or devices.
- If you experience any irritation or allergic reaction, discontinue use and consult a physician.

Instructions for Installation and Usage

1. Opening the Package:

- Carefully open the package to avoid tearing the wipes. Ensure the seal is intact before use.

2. Using the Wipes:

- Remove one wipe from the package.
- Gently wipe the surface of the firearm or equipment that requires cleaning.
- For heavily soiled areas, allow the wipe to sit for a few moments before wiping again.
- After use, dispose of the wipe in accordance with local disposal regulations.

3. Storing the Wipes:

- Reseal the package tightly after each use to maintain moisture in the remaining wipes.
- Store the product away from children and pets.

Disposal Instructions

- Dispose of used wipes in accordance with local waste disposal regulations. Do not flush down the toilet.
- Check local guidelines for the disposal of materials containing oil or chemicals.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the use of HOPPES Lubricating Gun Oil Field Wipes, please refer to the product packaging for the EU contact point or visit the official HOPPES website.

By following these guidelines, you can ensure the safe and effective use of HOPPES Lubricating Gun Oil Field Wipes. Thank you for your attention to safety.
