HOPPE'S OIL Safety Instruction Guide

Introduction

Thank you for choosing HOPPE'S OIL, a highquality lubricating oil designed for firearms and sporting equipment. This guide provides important safety information to ensure the safe use of this product. Please read this guide carefully and follow all instructions to minimize risks and enhance your experience.

General Safety Guidelines

- Always store this product out of reach of children and pets.
- Use this product only for its intended purpose as a lubricating oil for firearms and sporting equipment.
- Keep the product in its original container with the label intact.
- Avoid contact with eyes and skin. In case of contact, rinse immediately with plenty of water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Ensure proper ventilation when using the aerosol version to avoid inhaling vapors.
- Check for any allergies to the ingredients before use.
- Do not expose the product to excessive heat or flames. Store in a cool, dry place.
- Dispose of any unused product in accordance with local regulations.

Specific Safety Precautions for Use

- For **aerosol use**:
 - Do not spray near an open flame or heat source.
 - Avoid prolonged inhalation of vapors. Use in a wellventilated area.
 - Do not puncture or incinerate the aerosol can, even when empty.
- For **bottle use**:
 - Use the spout to control the amount of oil applied.
 - Clean any spills immediately to prevent slipping hazards.
 - Keep the cap tightly closed when not in use to prevent leaks.

Instructions for Installation and Usage

- For **firearms**:
 - Ensure the firearm is unloaded before applying oil.
 - Apply a small amount of oil to a clean cloth and wipe down the moving parts.
 - Avoid overlubricating, as excess oil can attract dirt and debris.
- For **sporting equipment**:
 - Clean the equipment thoroughly before applying oil.
 - Use a cloth or applicator to apply a thin layer of oil to the necessary parts.
 - Allow the oil to penetrate for a few minutes before using the equipment.

Disposal Instructions

- Dispose of any leftover product and empty containers in accordance with local hazardous waste regulations.
- Do not pour oil down drains or into the environment.

- Check local guidelines for recycling options for metal cans and plastic bottles.

Contact Information for Further Support

For any inquiries regarding safety or product concerns, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy using HOPPE'S OIL responsibly and safely!
