# Safety Instruction Guide for Handgun & Shotgun Cotton Cleaning Swabs HOPPE'S 20 GA. S/G Cotton Swab

## Introduction

Thank you for choosing the HOPPE'S Handgun & Shotgun Cotton Cleaning Swabs. These swabs are designed to assist in the cleaning and maintenance of firearms, ensuring optimal performance and longevity. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms with care and follow the manufacturer's instructions.
- Use cleaning swabs only for their intended purpose – cleaning firearms.
- Keep cleaning products and tools out of reach of children and unauthorized users.
- Inspect the cleaning swabs for any damage before use. Do not use if damaged.
- Store swabs in a cool, dry place away from direct sunlight and moisture.
- Dispose of used swabs responsibly, following local disposal regulations.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before cleaning.
- Avoid contact with the cleaning swabs while using solvents or lubricants.
- Do not use the swabs near open flames or heat sources.
- Use protective gloves if you are sensitive to cleaning solvents or lubricants.
- Do not insert the swabs into any part of the firearm that is not intended for cleaning.
- If you experience any irritation or adverse reaction while using the swabs, discontinue use immediately and seek medical attention.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including solvents and lubricants.

### 2. Using the Swabs:

- Select the appropriate swab for your firearm type (Handgun/Rifle or Shotgun).
- Attach the swab to the cleaning rod using the 832 thread for Handgun/Rifle or 5/16"27 thread for Shotgun.
- Apply a small amount of cleaning solvent to the swab.
- Insert the swab into the firearm's bore and gently clean by moving it back and forth.
- Repeat the process until the bore is clean.

### 3. PostCleaning:

- After cleaning, apply a light coat of lubricant using a clean swab.
- Dispose of used swabs according to local regulations.

## **Disposal Instructions**

- Dispose of used cotton swabs in accordance with local waste disposal regulations.
- Do not dispose of swabs in regular recycling bins.
- If the swabs have been contaminated with solvents or lubricants, follow hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided on the product packaging or visit the manufacturer's official website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your HOPPE'S Handgun & Shotgun Cotton Cleaning Swabs. Always prioritize safety and proper handling when maintaining your firearms.
