## Bronze Bristles For Hard Scrubbing

Double-ended brush with phosphor bronze bristles really gets in there and scrubs out fouling. Fits into action recesses and other hard-to-reach areas. Large end is toothbrush style, small end has single row of short bristles. Works great on small parts, or anywhere tough scrubbing is necessary.

# HOPPE'S UTILITY BRUSH Safety Instruction Guide

## Introduction

Thank you for choosing the HOPPE'S UTILITY BRUSH. This doubleended brush is designed to effectively clean hardtoreach areas of your firearm, ensuring optimal performance. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always use the brush as intended and according to the manufacturer's instructions.
- Keep the brush out of reach of children to prevent accidental injury.
- Regularly inspect the brush for wear and tear; do not use if damaged.
- If you experience any adverse reactions or injuries while using the brush, discontinue use immediately and seek medical advice.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- **Hazard Identification:** The brush features phosphor bronze bristles, which can be sharp and may cause injury if not handled properly.
- **Avoid Contact with Skin:** Do not use excessive force while scrubbing, as this may cause skin irritation or injury.
- **Use in WellLit Areas:** Ensure you are in a welllit environment to clearly see what you are cleaning.
- **Keep Away from Flammable Materials:** Avoid using the brush near flammable substances or materials to reduce fire hazards.
- **Age Warning:** This product is not suitable for children under the age of 14. Adult supervision is recommended when used by those under this age.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before cleaning.
- Gather all necessary cleaning materials and ensure you have a clear workspace.

### 2. Usage:

- Hold the brush by the polypropylene handle for a secure grip.
- Use the large end of the brush for general scrubbing of larger areas.
- Use the small end of the brush to clean tight spaces and intricate parts.
- Apply gentle pressure to avoid damaging the firearm or the brush.

### 3. PostUse Care:

- Clean the brush after each use to remove any debris or fouling.
- Store the brush in a dry place, away from moisture and direct sunlight.

## Disposal Instructions

- Dispose of the brush responsibly. If the brush is worn out or damaged, it should be disposed of in accordance with local waste disposal regulations.

- Do not dispose of the brush in regular household waste if local laws require specific disposal methods for such items.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product information, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your HOPPE'S UTILITY BRUSH. Thank you for prioritizing safety while maintaining your firearm.
