Safety Instruction Guide for HOPPES 22 Caliber 3Piece Aluminum Rifle Rod

Introduction

Thank you for choosing the HOPPES 22 Caliber 3Piece Aluminum Rifle Rod. This product is designed for cleaning firearms safely and effectively. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the cleaning rod as intended, and follow the instructions provided.
- Keep the cleaning rod out of the reach of children and pets to prevent accidents.
- Inspect the cleaning rod for any damage before use. Do not use if damaged.
- Ensure that the cleaning rod is compatible with your firearm caliber.
- Use protective eyewear when cleaning firearms to protect against debris.
- Follow all firearm safety protocols when handling firearms.

Specific Safety Precautions for Use

- Avoid using excessive force when cleaning to prevent damage to the barrel or rod.
- Do not use the cleaning rod with any solvents or chemicals not specified for use with firearms.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Do not leave the cleaning rod unattended while in use.
- Be cautious of sharp edges on jags and slotted tips to prevent injury.

Instructions for Installation and Usage

Assembly

1. **Assemble the Rod:**
 - For the rifle rod, connect the three pieces by aligning the threads and twisting them together until secure.
 - Ensure that the swiveling handle is properly attached for ease of use.

Usage

1. **Prepare the Firearm:**
 - Ensure the firearm is unloaded and safe to handle.
 - Point the firearm in a safe direction.
2. **Select the Appropriate Jag:**
 - Choose the correct jag size for your caliber (.22, .38, .45 for handguns; .22 to .270 for rifles; .30 to .35 for larger calibers).
 - Attach the jag to the end of the cleaning rod using the standard 832 thread.
3. **Insert the Cleaning Rod:**
 - Carefully insert the cleaning rod into the barrel from the chamber end, ensuring it passes through smoothly.
 - Avoid forcing the rod into the barrel.

4. Clean the Barrel:

- Use appropriate cleaning patches and solvents as needed.
- Rotate the rod gently to remove fouling and debris.

5. Remove the Rod:

- Once cleaning is complete, carefully remove the cleaning rod from the barrel.
- Clean the rod after use to remove any residue.

Disposal Instructions

- Dispose of the cleaning rod in accordance with local regulations.
- Do not dispose of the cleaning rod in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling the aluminum and steel components where facilities are available.

Contact Information for Further Support

For any questions or concerns regarding the HOPPES 22 Caliber 3Piece Aluminum Rifle Rod, please refer to the manufacturer's official website or authorized retailers for support.

Thank you for following these safety instructions. Proper use and care of your cleaning rod will ensure effective firearm maintenance and safety.
