# Safety Instruction Guide for HOPPES 30 Caliber 3Piece Steel Rifle Rod

## Introduction

Thank you for choosing the HOPPES 30 Caliber 3Piece Steel Rifle Rod. This product is designed for cleaning handguns, rifles, and shotguns safely and effectively. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

## General Safety Guidelines

- Always use the cleaning rod in accordance with the manufacturer's instructions.
- Ensure the firearm is completely unloaded before using the cleaning rod.
- Store the cleaning rod in a safe location, out of reach of children and pets.
- Inspect the cleaning rod for any damage before use. Do not use if damaged.
- Keep the cleaning area wellventilated and free from flammable materials.
- Avoid using excessive force when cleaning to prevent damage to the firearm or cleaning rod.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from improper handling of cleaning rods.
- Risk of damage to firearms if rods are used incorrectly.

- **Avoiding Hazards:**

- Always maintain a firm grip on the cleaning rod while in use.
- Do not use the cleaning rod as a tool for any purpose other than cleaning firearms.
- Use appropriate jags and brushes for the caliber of the firearm being cleaned.
- Ensure that the cleaning rod is compatible with the firearm caliber.

- **AgeSpecific Warnings:**

- This product is not intended for use by children. Always supervise minors when handling cleaning tools.

## Instructions for Installation and Usage

- **Assembly:**

1. For rifle rods, connect the three pieces securely to form a complete rod.
2. Ensure the swiveling handle is properly attached for ease of use.

- **Usage:**

- Before cleaning, confirm that the firearm is unloaded. Check the chamber and magazine.
- Attach the appropriate jag or brush to the end of the cleaning rod using the standard 832 thread.
- Insert the cleaning rod into the barrel from the chamber end for rifles and the muzzle end for handguns and shotguns.
- Use smooth, gentle strokes to clean the barrel. Avoid aggressive scrubbing.
- After cleaning, remove the jag or brush and clean the rod with a suitable solvent.

- **Disassembly:**

- After use, disassemble the cleaning rod by gently unscrewing the pieces.
- Store the cleaning rod in a dry place to prevent rust and corrosion.

## **Disposal Instructions**

- Dispose of any broken or damaged cleaning rods in accordance with local regulations.
- Do not dispose of cleaning rods in regular household waste if they contain hazardous materials.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For safety inquiries or additional support, please refer to the manufacturer's contact information provided with the product packaging or visit the official website.

By following these safety instructions, you can ensure a safe and effective cleaning process for your firearms. Thank you for your attention to safety and for choosing HOPPES products.
