Safety Instruction Guide for HOPPES AllGauge 33" 3Piece Aluminum Shotgun Rod

Introduction

Thank you for choosing the HOPPES AllGauge 33" 3Piece Aluminum Shotgun Rod. This product is designed for cleaning handguns, rifles, and shotguns. Your safety and satisfaction are our top priorities. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always keep the cleaning rod out of reach of children and vulnerable individuals.
- Inspect the cleaning rod for any damage or wear before use.
- Do not use the cleaning rod if it appears to be damaged or defective.
- Always follow the manufacturer's instructions for use and maintenance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the cleaning rod in a wellventilated area.
- Wear safety goggles to protect your eyes from debris while cleaning.
- Use gloves to protect your hands from cleaning solvents and chemicals.
- Keep all cleaning supplies, including solvents and brushes, away from children.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the rod.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Do not leave the cleaning rod unattended while in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the HOPPES cleaning rod, brushes, and jags.

2. Assembly:

- For the shotgun rod, connect the three pieces securely. Note that the shotgun rod does not swivel.
- For handgun and rifle rods, ensure the sections are tightly connected for stability.

3. Attaching Brushes and Jags:

- Select the appropriate jag or brush for your caliber.
- Attach the jag or brush to the end of the rod using the standard 832 thread.

4. Cleaning Procedure:

- Insert the cleaning rod into the barrel of the firearm.
- Use a backandforth motion to clean the barrel thoroughly.
- Avoid excessive force, which could damage the barrel or rod.

5. PostCleaning:

- After cleaning, detach the brush or jag and clean it according to the manufacturer's instructions.
- Inspect the cleaning rod for any signs of wear or damage before storing it.

Disposal Instructions

- Dispose of any worn or damaged cleaning rods in accordance with local regulations.
- Recycle aluminum components where possible.
- Do not dispose of cleaning solvents or chemicals in regular trash. Follow local hazardous waste disposal guidelines.
