

# RUGER® SA OVERSIZE CYLINDER LATCH - POWER CUSTOM OVERSIZE CYLINDER LATCH, NEW MODEL

[Handgun Parts](#) > [Action Parts](#) > [Cylinder Parts](#) > [Cylinder Latches](#)

## Gives Tighter Lockup To Improve Accuracy

Oversized dimensions to remove the lateral play in frames and cylinders with out-of-spec notches. Thicker and longer, for precise fitting; tightens cylinder lockup and helps give correct stop timing. Gunsmith fitting is required. Models available for both current-production and Old Model ("three screw") Ruger® single actions.

# Safety Instruction Guide for RUGER® SA Oversize Cylinder Latch

## Introduction

Thank you for choosing the RUGER® SA Oversize Cylinder Latch by POWER CUSTOM. This product is designed to enhance the performance of your Ruger® singleaction revolvers by eliminating lateral play in frames and cylinders. To ensure safe and effective use of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle firearms safely and responsibly.
- Ensure that the firearm is unloaded before performing any installation or maintenance.
- Store the product and firearms in a secure location, away from children and unauthorized users.
- Follow all local, state, and national laws regarding firearms and accessories.
- Check for any recalls or safety alerts related to this product on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- This product is intended for experienced gunsmiths or individuals with sufficient knowledge of firearm maintenance.
- Gunsmith fitting is required for proper installation; improper fitting may lead to malfunction or unsafe operation.
- Do not attempt to modify or alter the product in any way.
- Always wear safety glasses when working with firearms and accessories.
- Ensure that your workspace is clean and free of distractions when installing or using this product.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation, including a gunsmithing toolset.
- Ensure that the firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Remove the existing cylinder latch from your Ruger® singleaction revolver.
- Compare the old latch with the new POWER CUSTOM Oversize Cylinder Latch to ensure compatibility.
- Carefully install the new latch, ensuring it fits snugly into the frame.
- Tighten the latch as per the manufacturer's specifications to ensure a secure lockup.

### 3. PostInstallation Check:

- After installation, check the cylinder lockup by rotating the cylinder and ensuring there is no lateral play.
- Test the operation of the latch several times to confirm proper function.

### 4. Usage:

- Regularly inspect the latch for wear or damage.
- If you notice any issues with the latch or the cylinder operation, consult a qualified gunsmith.

## **Disposal Instructions**

- Dispose of any old or unused parts in accordance with local regulations.
- Do not discard firearms or firearm accessories in regular waste. Check for local hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please consult your local firearms expert or a qualified gunsmith.

### **Note**

This guide is intended to provide comprehensive safety instructions for the RUGER® SA Oversize Cylinder Latch. Adhering to these guidelines will help ensure safe and effective use of the product. Always prioritize safety when handling firearms and their accessories.
