Safety Instruction Guide for RUGER® ALTERED TRANSFER BAR

Introduction

Thank you for choosing the RUGER® ALTERED TRANSFER BAR. This product has been designed to enhance the functionality of your firearm by providing a dropin transfer bar that mimics the feel and operation of a Colt single action. It is important to follow all safety guidelines to ensure safe and effective use. This guide outlines essential safety information, installation instructions, and disposal methods.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Ensure that the firearm is unloaded before performing any installation or maintenance work.
- Store firearms and ammunition in a secure location, out of reach of children and unauthorized users.
- Use only compatible components with your firearm to prevent malfunctions.
- Regularly inspect your firearm and its components for wear and damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The RUGER® ALTERED TRANSFER BAR is designed for use with Power Custom Half Cock Hammer/Trigger Kits only.
- Ensure that the loading gate is closed when the firearm is not in use.
- Avoid using the firearm if you notice any unusual sounds or malfunctions during operation.
- Do not attempt to modify or alter the transfer bar beyond the manufacturer's specifications.
- Keep fingers and other objects away from the trigger and hammer area during operation.
- Use appropriate eye and ear protection when handling or firing the firearm.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation.

2. Installation Steps

- Remove the existing transfer bar from the firearm, following the manufacturer's instructions.
- Insert the RUGER® ALTERED TRANSFER BAR into the designated slot.
- Ensure that the transfer bar is seated properly and securely.
- Reassemble the firearm according to the manufacturer's guidelines.

3. Usage Instructions

- To load the firearm, place the hammer at half cock.
- Open the loading gate to load ammunition.
- Rotate the cylinder clockwise to align with the chambers.
- After loading, ensure the loading gate is securely closed before proceeding.
- Always keep the firearm pointed in a safe direction when loading and unloading.

Disposal Instructions

- Dispose of the RUGER® ALTERED TRANSFER BAR in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local authorities for designated disposal facilities or programs.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please contact the manufacturer or refer to the product's official website for assistance.

By following these guidelines, you can ensure safe and effective use of the RUGER® ALTERED TRANSFER BAR. Thank you for prioritizing safety in your firearm practices.
