

# RUGER® 10/22® SHARP CLAW EXTRACTOR - A-2 TOOL STEEL EXTRACTOR

[Rifle Parts](#) > [Bolt Parts](#) > [Extractor Parts](#) > [Extractors](#)

## Positive Extraction Of Match Chambers For The Mk II? Pistol & 10/22~ Rifle

Machined with sharp, well defined angles to securely grip case head and give positive extraction even on tight, match chambered barrels. Will not “blow out” in the event of a ruptured case. Hard and tough titanium or A-2 Tool steel greatly extends service life. Available in Titanium or A-2 Tool Steel. Correct dimension works in 10/22®, 10/22® Magnum and Mk II™ pistol without modification.

## Attributes

# RUGER® 10/22® SHARP CLAW EXTRACTOR A2 TOOL STEEL EXTRACTOR Safety Instruction Guide

## Introduction

Thank you for choosing the RUGER® 10/22® Sharp Claw Extractor. This guide provides essential safety instructions to ensure safe and effective use of the extractor. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the extractor is compatible with your firearm model (10/22®, 10/22® Magnum, Mk II™ pistol) before use.
- Always handle firearms and firearm accessories with care. Follow all safety protocols and guidelines established by your local laws and regulations.
- Store the extractor in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the extractor for signs of wear or damage. Do not use if any defects are found.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when using the extractor to prevent injury from debris.
- Ensure that the firearm is unloaded before installing or removing the extractor.
- Do not attempt to modify the extractor in any way, as this may compromise its safety and effectiveness.
- Use the extractor only for its intended purpose as specified in this guide.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the extractor.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and the chamber is clear.
- Gather necessary tools for installation, if required.

### 2. Installation:

- Carefully remove the existing extractor from the firearm, following the manufacturer's instructions.
- Align the new RUGER® Sharp Claw Extractor with the extractor channel in the firearm.
- Securely install the extractor, ensuring it is seated properly without forcing it into place.
- Reassemble any components removed during the installation process.

### 3. Usage:

- After installation, conduct a function check to ensure proper operation.
- Load the firearm following standard safety procedures.
- Fire the firearm in a safe environment, monitoring the extractor's performance.
- If extraction issues occur, cease use and inspect the extractor for proper installation and damage.

## Disposal Instructions

- Dispose of the extractor in accordance with local regulations for metal and firearm accessories.
- Do not dispose of in regular household waste. Check with local recycling centers for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the RUGER® 10/22® Sharp Claw Extractor, please contact your local dealer or refer to the manufacturer's website for support.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective experience with your RUGER® 10/22® Sharp Claw Extractor. Always prioritize safety and compliance with local laws when handling firearms and accessories. Thank you for your attention to these important guidelines.
