

RUGER® SA FREE SPIN PAWL™ - POWER CUSTOM NEW VAQUERO FREE SPIN PAWL

[Handgun Parts](#) > [Frame Parts](#) > [Frame Hardware](#) > [Pawl Parts](#)

Quicker & Easier Loading, Unloading

Redesigned pawl enables faster and easier loading/unloading of Ruger single action revolvers. Holds the bolt away from the cylinder locking notches when the loading gate is open, so the cylinder can rotate freely in either direction. No need to spin the cylinder around again if you miss a click and go too far; makes it easier to set an empty chamber under the hammer. Helps competitive shooters improve reload times and scores. Hunters, target shooters, and outdoorsmen will enjoy the added convenience of easier reloading.

Attributes

- Name: [POWER CUSTOM NEW VAQUERO FREE SPIN PAWL](#)

RUGER® SA FREE SPIN PAWL™ POWER CUSTOM NEW VAQUERO FREE SPIN PAWL Safety Instruction Guide

Introduction

Thank you for choosing the RUGER® SA FREE SPIN PAWL™ POWER CUSTOM NEW VAQUERO FREE SPIN PAWL. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always treat firearms with respect and caution.
- Ensure that you are familiar with the operation of your Ruger single action revolver before using the free spin pawl.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect your firearm and the free spin pawl for wear and damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- If you are unsure about any aspect of using this product, consult a qualified gunsmith.

Specific Safety Precautions for Use

- Use the free spin pawl only with compatible Ruger models: Blackhawk, Bisley, pre2005 Vaquero, Super Blackhawk, and the New Vaquero with the smaller "XR3" grip frame.
- Ensure that the loading gate is fully open before attempting to load or unload the cylinder.
- Never attempt to rotate the cylinder while the loading gate is closed.
- When loading, ensure that the chamber is clear of any obstructions.
- Do not exceed the manufacturer's recommended ammunition specifications.
- Always point the firearm in a safe direction when loading or unloading.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a screwdriver and any other required equipment.

2. Installation:

- Remove the existing pawl from your Ruger revolver according to the manufacturer's instructions.
- Install the new free spin pawl by carefully following the specific fitting instructions provided by a qualified gunsmith.
- Ensure that the pawl is properly seated and functions smoothly before reassembling the firearm.

3. Usage:

- Open the loading gate to engage the free spin pawl.
- Load the cylinder by inserting cartridges into the chambers.
- Close the loading gate and ensure that the pawl holds the bolt away from the cylinder locking notches for smooth rotation.
- Practice safe handling and operation of your firearm at all times.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm parts and accessories.
- If the product is damaged or no longer needed, consider returning it to the manufacturer or a qualified disposal facility.

Contact Information for Further Support

For any inquiries or concerns related to the safety and use of your RUGER® SA FREE SPIN PAWL™, please refer to the manufacturer's website or customer service resources.

Remember, your safety and the safety of others is paramount. Always prioritize responsible firearm handling and usage. Thank you for your attention to these important safety guidelines.
