MARLIN CAMP CARBINE RECOIL BUFFER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Marlin Camp Carbine Recoil Buffer by Power Custom. This product is designed to enhance the performance of your 9mm or .45 ACP Camp Carbine by ensuring smooth and reliable cycling. It is important to read and follow these safety instructions to ensure safe usage and compliance with EU regulations.

General Safety Guidelines

- Ensure safe use of the recoil buffer by following all instructions provided.
- Regularly inspect the recoil buffer for signs of wear or damage before each use.
- If the recoil buffer is found to be damaged, discontinue use immediately and replace it.
- Always keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the recoil buffer with Marlin Camp Carbine models chambered in 9mm and .45 ACP.
- Ensure that the firearm is unloaded before installation of the recoil buffer.
- Do not attempt to use the recoil buffer on firearms other than those specified.
- Avoid exposing the recoil buffer to extreme temperatures or harsh chemicals.
- Use protective eyewear when handling or installing the recoil buffer to prevent injury.

Instructions for Installation and Usage

1. Installation Instructions:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the old recoil buffer if applicable by following the manufacturer's instructions.
- Carefully insert the new recoil buffer into the designated area of the firearm.
- Make sure the recoil buffer is seated properly and securely.
- Reassemble the firearm according to the manufacturer's guidelines.

2. Usage Instructions:

- After installation, perform a function check to ensure the firearm operates correctly with the new recoil buffer.
- Regularly clean and maintain the recoil buffer to ensure optimal performance.
- Monitor the recoil buffer for any signs of wear or damage during use.

Disposal Instructions

- Dispose of the recoil buffer in accordance with local regulations.
- Do not dispose of the recoil buffer in regular household waste if it is damaged or worn.
- Check with local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Marlin Camp Carbine Recoil Buffer, please refer to the

manufacturer's contact information provided with the product or visit the official website for support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Marlin Camp Carbine Recoil Buffer. Thank you for your attention to safety!
