# AK47 Campy Bob Sight Tool Safety Instruction Guide

## Introduction

Thank you for purchasing the AK47 Campy Bob Sight Tool. This tool is designed for the installation and removal of rear sights on AK47 and SKS rifles. It is made from highquality materials to ensure durability and ease of use. Please read this safety instruction guide carefully to ensure safe handling and operation of the product.

## General Safety Guidelines

- Ensure safe use of the AK47 Campy Bob Sight Tool by following these guidelines:
- Always read the instruction manual before using the tool.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear.
- Use the tool only for its intended purpose as specified in this guide.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates regularly on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- When using the AK47 Campy Bob Sight Tool, take the following precautions:
- Wear safety glasses to protect your eyes from debris.
- Ensure your hands are clean and dry to maintain a firm grip on the tool.
- Avoid using excessive force when installing or removing sights to prevent injury.
- Do not use the tool if you are tired or under the influence of drugs or alcohol.
- Always maintain a safe distance from others when using the tool.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Gather all necessary materials, including the AK47 Campy Bob Sight Tool and any replacement sights.

### 2. Installation of Rear Sight:

- Position the rear sight in the appropriate location on the rifle.
- Align the sight with the mounting holes.
- Using the AK47 Campy Bob Sight Tool, gently press the sight into place.
- Ensure it is securely fitted without excessive force.

### 3. Removal of Rear Sight:

- Position the AK47 Campy Bob Sight Tool over the rear sight.
- Carefully apply pressure to release the sight from its mounting.
- Once the sight is removed, inspect the area for any debris or damage.

### 4. Maintenance:

- Clean the tool after each use to prevent corrosion and wear.
- Store the tool in a dry place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of the AK47 Campy Bob Sight Tool responsibly:
- If the tool is damaged beyond repair, recycle it according to local regulations.
- Do not dispose of the tool in regular household waste.
- Check with local waste management facilities for proper disposal methods.

## **Contact Information for Further Support**

- For any questions or concerns regarding the AK47 Campy Bob Sight Tool, please contact the manufacturer or your retailer for support.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using your AK47 Campy Bob Sight Tool.
