

GRAND MASTERS, LLC- RUGER® REPLACEMENT BASE PIN - POWER CUSTOM RUGER® LARGE FRAME BASE PIN 2.875"

[Handgun Parts](#) > [Action Parts](#) > [Base Pin Parts](#) > [Base Pin Assemblies](#)

These Single Action Revolver replacement pins are oversized to reduce "cylinder wobble". The head has been redesigned for a more positive grip for easy removal, and is also shorter than the factory head to allow for longer ejector rod travel that improves ejection. Some applications may require minor fitting, depending on burrs in holes and hole alignment.

Attributes

- Name: [POWER CUSTOM RUGER® LARGE FRAME BASE PIN 2.875"](#)
- Manufacturer: [POWER CUSTOM](#)
- Product no.: 713000156

Safety Instruction Guide for GRAND MASTERS, LLC RUGER® Replacement Base Pin

Introduction

Thank you for choosing the GRAND MASTERS, LLC RUGER® Replacement Base Pin. This product is designed to enhance the performance of your Ruger® large frame revolvers by reducing cylinder wobble and improving ejection. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you are familiar with the operation of your Ruger® revolver before installing or using the replacement base pin.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Store the replacement base pin and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the base pin for wear or damage before each use.
- Report any unsafe products or incidents to the relevant authorities.
- Check the EU's Safety Gate platform for any recall updates related to this product.

Specific Safety Precautions for Use

- Only use the replacement base pin with compatible Ruger® models: Vaquero, Blackhawk, Super Blackhawk, and Bisley.
- Ensure the firearm is unloaded before performing any installation or maintenance.
- Use protective eyewear when working with firearms to prevent injury from debris or accidental discharge.
- If you experience any difficulty during installation or if the pin does not fit properly, consult a qualified gunsmith.
- Avoid using excessive force during installation to prevent damage to the pin or the firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including screwdrivers and a cloth for cleaning.

2. Installation:

- Remove the existing base pin from your Ruger® revolver by following the manufacturer's instructions.
- Inspect the area for any debris or burrs that may affect the fit of the new base pin.
- Align the new replacement base pin with the hole in the revolver frame.
- Gently push the pin into place, ensuring it is seated properly without excessive force.
- Test the fit by checking for any wobble in the cylinder.

3. Usage:

- After installation, perform a function check to ensure the revolver operates smoothly.
- Regularly check the base pin for tightness and proper alignment during use.
- If you notice any issues, discontinue use and consult a qualified gunsmith.

Disposal Instructions

- Dispose of any old or damaged base pins in accordance with local regulations for metal recycling.
- Do not dispose of the base pin in household trash.
- Consider contacting local recycling centers for proper disposal methods.

Contact Information for Further Support

For additional support or safety inquiries regarding the GRAND MASTERS, LLC RUGER® Replacement Base Pin, please refer to the contact details provided at the point of purchase or visit the manufacturer's website.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our priorities. Always prioritize safety when handling firearms and their components.
