# Safety Instruction Guide for S&W EXTRA LENGTH FIRING PIN

## Introduction

Thank you for choosing the S&W Extra Length Firing Pin from Power Custom. This product is designed specifically for post1997 Smith & Wesson J, K, L, N, and X frame revolvers. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before handling or installing any parts.
- Use protective eyewear when working with firearms.
- Store the firing pin in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the firing pin if it appears damaged or worn.
- Ensure compatibility with your specific Smith & Wesson frame model before installation.
- Handle the firing pin with care to avoid personal injury.
- Follow all local laws and regulations regarding firearm modifications and safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation (e.g., screwdriver, wrench).

### 2. Installation:

- Remove the existing firing pin from the revolver according to the manufacturer's instructions.
- Inspect the new firing pin for any damage before installation.
- Carefully insert the Power Custom Extra Length Firing Pin into the firing pin hole.
- Secure the firing pin as per the firearm's specifications.

### 3. PostInstallation Check:

- Ensure that the firing pin is properly seated and functions correctly.
- Test the revolver in a safe environment to confirm proper operation.

### 4. Usage:

- Follow standard operating procedures for your revolver.
- Regularly check the firing pin for any signs of wear or malfunction.

## Disposal Instructions

- Dispose of the firing pin in accordance with local regulations regarding metal and firearm components.
- Do not dispose of the firing pin in regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the S&W Extra Length Firing Pin, please refer to the manufacturer's website or contact their support team directly.

By following these guidelines, you can ensure the safe and effective use of your S&W Extra Length Firing Pin. Thank you for prioritizing safety in your firearm practices.
