

# HAMMER NOSE KITS FOR S&W - POWER CUSTOM HAMMER NOSE KIT FOR S&W N FRAME

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammer Blocks](#)

Spring loaded, longer hammer noses provide a consistent, positive ignition with the lightest hammer tension allowing for a lighter, smoother action. Manufactured by wire EDM and CNC precision milling processes, with quality controlled heat treated from S7 tool steel. The hammer noses are machined, not stamped. Designed to be tough and provide a long service life. This kit includes hammer nose, spring and hammer nose rivet. Generally, normal replacement is all that's needed, though some factory variations may require minor fitting. Designed for Smith & Wesson centerfire models, K, L and N.

# Safety Instruction Guide for HAMMER NOSE KITS FOR S&W POWER CUSTOM HAMMER NOSE KIT FOR S&W N FRAME

## Introduction

Thank you for choosing the HAMMER NOSE KITS FOR S&W POWER CUSTOM HAMMER NOSE KIT FOR S&W N FRAME. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this document thoroughly before use.

## General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's instructions.
- Always inspect the product for any signs of damage or wear before use.
- Store the product in a safe and secure location, away from children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the hammer nose kit only with Smith & Wesson centerfire models K, L, and N.
- Avoid using the product if you are not familiar with firearm maintenance and modifications.
- Ensure that the firearm is unloaded before beginning any installation or maintenance work.
- Wear appropriate safety gear, such as safety glasses, while handling the product.
- Do not attempt to modify or alter the hammer nose kit beyond the manufacturer's specifications.
- If you experience any difficulty during installation, consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and the hammer nose kit components: hammer nose, spring, and hammer nose rivet.

### 2. Installation Steps

- Remove the existing hammer nose from the firearm following the manufacturer's guidelines.
- Inspect the new hammer nose for any damage or defects before installation.
- Install the new hammer nose by following these steps:
  - Insert the hammer nose into the designated slot.
  - Place the spring in its correct position.
  - Secure the hammer nose rivet to hold the assembly in place.
- Ensure that all components are properly seated and secured.

### 3. Testing

- After installation, conduct a function check to ensure proper operation.
- If the firearm does not function correctly, remove the hammer nose kit and seek professional assistance.

### 4. Maintenance

- Regularly check the hammer nose kit for wear and tear.
- Clean the components as recommended by the manufacturer to ensure longevity and performance.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the HAMMER NOSE KITS FOR S&W POWER CUSTOM HAMMER NOSE KIT FOR S&W N FRAME, please reach out to the manufacturer or a qualified professional for assistance.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your HAMMER NOSE KITS FOR S&W POWER CUSTOM HAMMER NOSE KIT FOR S&W N FRAME. Thank you for prioritizing safety.
