

308 AR STEEL CHARGING HANDLE - POWER CUSTOM AR STYLE 308 STEEL CHARGING HANDLE

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

Power Custom charging handles are a tactical upgrade to the AR style 308 rifles. The all steel body is fully CNC'd from billet steel and will not bend or break even under rigorous use. The extended charging handle latch makes it easy to operate the bolt when wearing gloves and the stippling on the face of the latch ensure solid grip when hands are sweaty and slippery. These handles fit DPMS pattern 308 rifles.

Safety Instruction Guide for Power Custom AR Style 308 Steel Charging Handle

Introduction

Thank you for choosing the Power Custom AR Style 308 Steel Charging Handle. This product is designed to enhance the functionality of your AR style 308 rifle. It is important to follow safety guidelines to ensure safe use and optimal performance. This guide provides essential safety instructions and information for proper installation, usage, and disposal.

General Safety Guidelines

- Ensure the charging handle is compatible with your rifle model before installation.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the charging handle and all firearm components out of reach of children and unauthorized users.
- Inspect the charging handle regularly for any signs of wear or damage.
- Do not use the charging handle if it appears damaged or does not operate smoothly.
- Report any unsafe product incidents or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure that the rifle is pointed in a safe direction when operating the charging handle.
- Use the charging handle with dry hands or gloves to maintain a secure grip.
- Avoid using excessive force when operating the charging handle to prevent damage.
- Be cautious of surroundings and ensure that no one is within the line of fire when operating the charging handle.

Instructions for Installation and Usage

Installation Instructions

1. **Safety First:** Ensure the rifle is unloaded and pointed in a safe direction.
2. **Remove Existing Charging Handle:** If applicable, remove the existing charging handle from the rifle.
3. **Align the Charging Handle:** Position the Power Custom charging handle into the receiver of the rifle.
4. **Secure the Charging Handle:** Ensure the charging handle is seated correctly and secured in place.
5. **Test Functionality:** Operate the charging handle to ensure smooth movement and proper function.

Usage Instructions

- To operate the charging handle, grasp the extended latch with your hand or gloved hand.
- Pull the charging handle back to cycle the bolt, ensuring a firm grip to prevent slippage.
- Release the charging handle smoothly to allow the bolt to return to its forward position.
- Always verify the chamber is clear and the rifle is safe before performing any maintenance or adjustments.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations for metal recycling.
- Ensure that any packaging materials are also disposed of responsibly.
- Do not incinerate or expose the charging handle to extreme temperatures.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer or authorized retailer. It is essential to have a point of contact for any safety concerns or product issues.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your Power Custom AR Style 308 Steel Charging Handle. Thank you for prioritizing safety and responsible firearm handling.
