Introduction

Thank you for choosing the SMITH & WESSON K&L POST 97 TARGET HAMMER from POWER CUSTOM. This product has been designed for enhanced performance and safety. Please read this guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always handle the hammer with care and keep it out of reach of children and unauthorized users.
- Inspect the hammer before each use for any signs of wear or damage.
- Store the hammer in a secure location when not in use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using firearms equipped with this hammer.
- Do not modify or alter the hammer in any way, as this could compromise its safety and functionality.
- Ensure that the firearm is unloaded before installing or handling the hammer.
- Follow all local laws and regulations regarding the use of firearms and firearm components.
- Be aware of your surroundings and ensure that you are in a safe environment when using firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory MIM powdered hammer from the firearm according to the manufacturer's instructions.
- Carefully install the SMITH & WESSON K&L POST 97 TARGET HAMMER by following these steps:
 - Align the hammer with the hammer pin.
 - Insert the hammer pin through the hammer and into the frame.
 - Ensure that the hammer moves freely and is properly seated.
- Reassemble the firearm according to the manufacturer's instructions.

2. Usage:

- Test the trigger action to ensure proper function before using the firearm.
- If you experience any issues or irregularities, do not use the firearm and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the hammer in accordance with local regulations for metal and firearm components.
- Do not dispose of the hammer in general household waste.
- Contact your local waste management authority for guidance on proper disposal methods.
