

# SLIDE RAIL COMPOUND CLAMP - POWER CUSTOM SLIDE RAIL CLAMP

[Gunsmith Tools](#) > [Handgun Tools](#) > [Slide Tools](#)

## Semi-Auto Slide Tightening Made Easy

Giant, steel "pliers" has two machined "steps" that can tighten one or both rails with just a "squeeze" of your bench vise. Step one distributes pressure evenly to both rails at the same time. Step two straightens and adjusts one side at a time if the slide is bent or sprung. Stop bolt helps prevent over-tightening and damaged slides.

## Attributes

- Name: [POWER CUSTOM SLIDE RAIL CLAMP](#)
- Manufacturer: [POWER CUSTOM](#)
- Product no.: 713101000
- Mfr. No.: NONE
- Model: Commander,Government,Officers
- Weapon type: 1911
- Delivery weight: 3.062kg
- Shipping height: 51mm
- Shipping width: 140mm
- Shipping length: 157mm

## SLIDE RAIL CLAMP Safety Instructions

### Introduction

Thank you for choosing the SLIDE RAIL COMPOUND CLAMP by POWER CUSTOM. This product is designed to provide efficient and safe adjustments for your slide rails. Please read this safety instruction guide carefully to ensure the safe use of the product and to understand the necessary precautions.

### General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the clamp for any signs of damage or wear before use.
- Use the clamp only for its intended purpose as described in this manual.
- Keep the clamp out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

### Specific Safety Precautions for Use

- Always wear appropriate safety gear, including gloves and eye protection, when using the clamp.
- Do not exceed the recommended tightening force to avoid damaging the slide rails.
- Use the clamp on a stable and secure work surface to prevent accidents.
- Ensure that your hands and any other body parts are clear of the clamp's moving parts during operation.
- Never attempt to modify the clamp in any way, as this may compromise its safety and effectiveness.
- If the slide rail is bent or sprung, follow the instructions carefully to adjust it safely.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools and safety equipment before starting.
- Ensure that the work area is clean and organized.

#### 2. Using the Clamp:

- Place the slide rail securely in your bench vise.
- Position the SLIDE RAIL COMPOUND CLAMP over the rail, ensuring it is aligned properly.
- Squeeze the bench vise to tighten the clamp around the rail.
- For step one, ensure that pressure is distributed evenly to both rails.
- For step two, adjust one side at a time if the slide is bent or sprung.

#### 3. Final Adjustments:

- Use the stop bolt to prevent overtightening.
- Check the alignment of the slide rail after adjustment.
- Release the clamp slowly and carefully.

### Disposal Instructions

- Dispose of the SLIDE RAIL COMPOUND CLAMP in accordance with local regulations.
- Do not dispose of the clamp in regular household waste.
- Consider recycling if possible, as the product is made from steel.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with your purchase. Ensure that you have the product details ready for a quicker response.

Thank you for prioritizing safety while using the SLIDE RAIL COMPOUND CLAMP. Your careful attention to these guidelines will help ensure a safe and effective experience.
