

# RUGER® SA FREE SPIN PAWL™ - POWER CUSTOM BLACKHAWK FREE SPIN PAWL

[Handgun Parts](#) > [Frame Parts](#) > [Frame Hardware](#) > [Pawl Parts](#)

## Quicker & Easier Loading, Unloading

Redesigned pawl enables faster and easier loading/unloading of Ruger single action revolvers. Holds the bolt away from the cylinder locking notches when the loading gate is open, so the cylinder can rotate freely in either direction. No need to spin the cylinder around again if you miss a click and go too far; makes it easier to set an empty chamber under the hammer. Helps competitive shooters improve reload times and scores. Hunters, target shooters, and outdoorsmen will enjoy the added convenience of easier reloading.

## Attributes

- Name: [POWER CUSTOM BLACKHAWK FREE SPIN PAWL](#)

# RUGER® SA FREE SPIN PAWL™ POWER CUSTOM BLACKHAWK FREE SPIN PAWL Safety Instruction Guide

## Introduction

Thank you for choosing the RUGER® SA FREE SPIN PAWL™ POWER CUSTOM BLACKHAWK FREE SPIN PAWL. This product is designed to enhance the loading and unloading process of Ruger single action revolvers. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure the firearm is unloaded before installing or adjusting the pawl.
- Keep the product and all firearms out of reach of children and unauthorized users.
- Regularly inspect the product for wear or damage before use.
- Follow all local laws and regulations regarding firearm use and safety.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the loading gate is fully open before attempting to load or unload the cylinder.
- Do not attempt to force the cylinder to rotate when the loading gate is closed.
- Always verify that the chamber is empty before setting it under the hammer.
- Be cautious when handling the firearm during the reloading process to avoid accidental discharge.
- If you experience any difficulty during the installation or use of the pawl, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is completely unloaded.
- Remove the existing pawl from the revolver according to the manufacturer's instructions.
- Install the RUGER® SA FREE SPIN PAWL™ by following these steps:
  - Align the new pawl with the corresponding slot in the revolver.
  - Securely fasten the pawl in place.
  - Check that the pawl operates smoothly without obstruction.

### 2. Usage:

- Open the loading gate before loading or unloading the cylinder.
- The pawl will hold the bolt away from the cylinder locking notches, allowing for free rotation.
- If a click is missed while rotating the cylinder, simply continue rotating until the next chamber is aligned under the hammer.
- Ensure that the chamber is clear before closing the loading gate.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the product is damaged or no longer in use, dispose of it responsibly.

- Follow local regulations for the disposal of firearms accessories.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please consult the manufacturer's website or contact their customer support team.

Thank you for your attention to these safety instructions. Proper use and care of the RUGER® SA FREE SPIN PAWL™ will enhance your shooting experience while ensuring safety for yourself and others.
