

RUGER® 10/22® HAMMER & SEAR PACKAGE - POWER CUSTOM HAMMER SEAR PACKAGE

[Rifle Parts](#) > [Triggers Parts](#) > [Performance Upgrade Kits](#)

Drop-In 2-3/4 Pound Trigger Job

Complete, easy-to-install kit means little to no gunsmithing required for a custom, 2-¾ pound trigger pull that breaks clean and crisp. Hammer and sear are EDM machined from long-wearing carbon steel, vapor honed then fully ground and prepped so you get a light, crisp-breaking trigger pull without the hard work. Provides faster lock time, shorter trigger travel and improved accuracy. Kit includes Ron's special springs, hammer and stainless steel sear shims that help eliminate excessive tolerances, plus a slave pin to make reassembly even easier. DOES NOT fit 10/22® Magnum rifles.

Attributes

RUGER® 10/22® Hammer & Sear Package

Safety Instructions

Introduction

Thank you for choosing the RUGER® 10/22® Hammer & Sear Package from POWER CUSTOM. This product is designed to enhance your firearm's performance with a custom trigger pull. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Store firearms securely and out of reach of children.
- Use appropriate safety equipment, such as eye and ear protection, when handling firearms.
- Familiarize yourself with local laws regarding firearm modifications and usage.
- Do not attempt to install or modify this product if you are unsure of your skills. Seek assistance from a qualified gunsmith if needed.
- Regularly inspect your firearm and its components for wear and damage.

Specific Safety Precautions for Use

- This product is designed for use with RUGER® 10/22® rifles only. It does not fit 10/22® Magnum rifles.
- Ensure the firearm is unloaded before beginning installation.
- Handle all tools and components with care to avoid injury.
- Follow all instructions carefully to prevent improper installation, which may lead to malfunction or injury.
- Be aware of the potential for increased trigger sensitivity with this upgrade; practice safe handling at all times.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation (e.g., screwdriver, punch).
- Review all components included in the kit: hammer, sear, XP hammer spring, sear disconnect spring, trigger return spring, (2) trigger shims, (2) hammer shims, sear slave pin, and complete instructions.

2. Installation Steps

- Remove the trigger assembly from the firearm according to the manufacturer's instructions.
- Carefully disassemble the trigger assembly, noting the arrangement of components for reassembly.
- Replace the existing hammer and sear with the new components from the kit.
- Install the XP hammer spring, sear disconnect spring, and trigger return spring as per the instructions.
- Use the provided shims to adjust for proper fit and function.
- Insert the sear slave pin to assist in reassembly.
- Reassemble the trigger assembly, ensuring all components are securely in place.
- Reinstall the trigger assembly in the firearm.

3. Testing

- After installation, perform a function check to ensure the trigger operates smoothly and safely.
- Test the firearm in a safe environment, following all standard safety protocols.

4. Maintenance

- Regularly inspect the installed components for wear and proper function.
- Clean and lubricate as necessary to maintain performance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer in use, follow local laws for the disposal of firearm components.
- Do not throw away any components in regular trash; consult local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the RUGER® 10/22® Hammer & Sear Package, please refer to the manufacturer's website or consult a qualified gunsmith for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your upgraded RUGER® 10/22®. Thank you for your attention to safety and responsible firearm ownership.
