# RUGER® 10/22® Receiver Mount Safety Instructions

## Introduction

Thank you for choosing the RUGER® 10/22® Receiver Mount by POWER CUSTOM. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a mounting base for scopes and sights on the RUGER® 10/22® rifle.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the receiver mount for any signs of wear or damage before each use.
- If you notice any defects or issues, discontinue use immediately and seek professional assistance.

## Specific Safety Precautions for Use

- Do not exceed the weight limit of the mount. Ensure that the combined weight of the scope and accessories does not compromise stability.
- Ensure that all screws are tightened securely before use to prevent any movement or detachment during operation.
- Avoid using the mount in extreme weather conditions that may affect its performance or integrity.
- Always use the provided Allen wrench for installation to ensure proper fitting and avoid damage to the mount or rifle.
- When adjusting or removing the scope, ensure the firearm is unloaded and pointed in a safe direction.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the RUGER® 10/22® rifle is unloaded and pointed in a safe direction.
- Gather all necessary tools, including the provided Allen wrench.

### 2. Installation:

- Locate the factory drilled and tapped holes on the 10/22® receiver.
- Align the receiver mount with the holes, ensuring it is positioned correctly.
- Using the provided screws, secure the mount to the receiver by tightening them with the Allen wrench. Ensure all screws are firmly in place.

### 3. Mounting Scopes:

- Choose the appropriate Weaverstyle rings for your scope or sight.
- Attach the scope to the mount using the rings, ensuring it is securely fastened.
- Make necessary adjustments to the scope for optimal performance.

### 4. PostInstallation Check:

- Inspect the installation to ensure that the mount is secure and that there are no loose screws.
- Test the stability of the mounted scope by gently shaking it to ensure it does not move.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for aluminum materials.
- Do not dispose of the product in household waste. Look for recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product issues, please refer to the official POWER CUSTOM website or contact your local distributor. Ensure you have your product information ready for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your RUGER® 10/22® Receiver Mount. Thank you for your attention to safety and responsible firearm use.
