

# RUGER® 10/22® SHARP CLAW EXTRACTOR - POWER CUSTOM TITANIUM EXTRACTOR

[Rifle Parts](#) > [Bolt Parts](#) > [Extractor Parts](#) > [Extractors](#)

## Positive Extraction Of Match Chambers For The Mk II? Pistol & 10/22~ Rifle

Machined with sharp, well defined angles to securely grip case head and give positive extraction even on tight, match chambered barrels. Will not “blow out” in the event of a ruptured case. Hard and tough titanium or A-2 Tool steel greatly extends service life. Available in Titanium or A-2 Tool Steel. Correct dimension works in 10/22®, 10/22® Magnum and Mk II™ pistol without modification.

## Attributes

# RUGER® 10/22® SHARP CLAW EXTRACTOR POWER CUSTOM TITANIUM EXTRACTOR Safety Instruction Guide

## Introduction

Thank you for choosing the RUGER® 10/22® Sharp Claw Extractor by Power Custom. This guide provides essential safety instructions to ensure the safe use of this product. Please read and understand all instructions before using the extractor to minimize risks and enhance your experience.

## General Safety Guidelines

- Ensure that the extractor is compatible with your firearm model (10/22®, 10/22® Magnum, and Mk II™ pistol) before installation.
- Always handle firearms and related components with care, following all safety protocols for firearm usage.
- Keep the extractor and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the extractor for wear or damage before each use.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Do not use the extractor if it shows signs of damage or excessive wear.
- Avoid using the extractor with firearms that have been modified in ways that may affect the extractor's function or safety.
- Always wear appropriate safety gear, such as eye protection, when using firearms.
- Be aware of your surroundings and ensure a safe environment when using the firearm with the extractor.
- If you experience any malfunctions or issues during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Before installation, make sure the firearm is unloaded and pointed in a safe direction.
2. **Remove Old Extractor:** Carefully remove the existing extractor from your firearm according to the manufacturer's instructions.
3. **Install New Extractor:**
  - Align the new RUGER® 10/22® Sharp Claw Extractor with the extractor slot.
  - Ensure that the extractor is seated properly and securely in place.
4. **Reassemble Firearm:** Follow the manufacturer's instructions to reassemble your firearm after installing the new extractor.

### Usage

- After installation, perform a function check to ensure that the extractor operates correctly.
- Use the firearm as intended, following all safety guidelines and operational instructions provided by the firearm's manufacturer.
- Regularly clean and maintain the extractor to ensure longevity and optimal performance.

## **Disposal Instructions**

- Dispose of the extractor in accordance with local regulations regarding metal and firearm components.
- If the extractor is damaged beyond repair, ensure it is rendered unusable before disposal to prevent accidental use.

## **Contact Information for Further Support**

For any questions or concerns regarding the RUGER® 10/22® Sharp Claw Extractor, please refer to the manufacturer's official website or customer service for support. Always ensure that you follow the latest safety guidelines and product updates.

## **Conclusion**

By following this safety instruction guide, you can ensure the safe and effective use of the RUGER® 10/22® Sharp Claw Extractor. Always prioritize safety and compliance with local laws when handling firearms and accessories. Thank you for your attention to these important safety measures.
