# Safety Instruction Guide for 10/22® EXTRA POWER SPRING KIT

## Introduction

Thank you for choosing the 10/22® EXTRA POWER SPRING KIT by POWER CUSTOM. This product is designed to enhance the performance of your Ruger 10/22 firearm. It is crucial to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

## General Safety Guidelines

- Always handle firearms with care and follow all safety procedures.
- Ensure that the firearm is unloaded before installation or maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the springs are compatible with the Ruger 10/22 model.
- Do not exceed the recommended load or use the product in a manner not intended by the manufacturer.
- Avoid using the product if it shows signs of damage or wear.
- Use appropriate protective gear, such as safety glasses, when handling or installing the springs.
- Follow the manufacturer's instructions for installation to avoid potential hazards.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a screwdriver and a punch tool.

### 2. Installation Steps

- Remove the stock from the Ruger 10/22 by unscrewing the screws.
- Carefully remove the trigger assembly from the receiver.
- Replace the original hammer, disconnecter, and operating spring with the extra power components from the kit.
- Install the replacement trigger return spring.
- Reassemble the trigger assembly and ensure all components are securely in place.
- Reattach the stock to the firearm.

### 3. PostInstallation Checks

- Conduct a function check to ensure proper operation.
- Store the firearm in a safe location when not in use.

## Disposal Instructions

- Dispose of any old springs and packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal sites.

## **Contact Information for Further Support**

For any inquiries regarding the 10/22® EXTRA POWER SPRING KIT, please refer to the manufacturer's contact details provided with the product packaging. It is essential to have access to support for any questions related to safety and usage.

By following these guidelines and instructions, you can ensure the safe use of the 10/22® EXTRA POWER SPRING KIT and enhance the performance of your Ruger 10/22 firearm. Always prioritize safety and compliance with local laws and regulations.
