# **SERIES II Stoning Fixture Power Custom B92 Fixture Safety Instructions**

## **Introduction**

Thank you for choosing the SERIES II Stoning Fixture Power Custom B92 Fixture with Adapter, designed specifically for Beretta 92 firearms. This product is engineered to help you achieve a precise and repeatable trigger pull for semiautomatic firearms. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## **General Safety Guidelines**

- Always read and understand the instructions before using the product.
- Ensure that the product is used in accordance with local laws and regulations.
- Keep the fixture and its components out of reach of children and unauthorized users.
- Regularly inspect the fixture for any signs of wear or damage before use.
- Never use the fixture if any parts are damaged or missing.
- Use the fixture only with the recommended Series II India Stone or Series II Hard Arkansas Stone.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using this product.
- Do not modify the fixture or its components in any way.
- Ensure that the work area is clean, welllit, and free from distractions.

## **Specific Safety Precautions for Use**

- Ensure that the firearm is unloaded and pointed in a safe direction before attaching or using the fixture.
- Be cautious when changing adapters; ensure they are securely attached before use.
- Adjust the hammer angle carefully to avoid accidental discharge.
- Use only the specified adapters for your firearm model to prevent damage or malfunction.
- Follow the manufacturer's instructions for the proper use of the Series II India Stone or Series II Hard Arkansas Stone.
- Do not exceed the recommended pressure while stoning the trigger to prevent damage to the fixture or the firearm.
- Always store the fixture and its components in a safe place when not in use.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure that your workspace is clean and wellorganized.
- Gather all necessary tools and components, including the SERIES II Stoning Fixture, adapters, hammer and sear clamp, and Allen wrenches.

### **2. Installation:**

- Attach the appropriate adapter to the indexing elevator column according to the firearm model.
- Secure the hammer clamp in place, ensuring it holds the hammer firmly.

### **3. Adjusting the Fixture:**

- Adjust the hammer angle to meet your specific needs by loosening the adjustment screw, positioning the hammer, and retightening the screw.
- Ensure that the hammer is clamped securely before proceeding.

#### **4. Using the Stoning Fixture:**

- Select either the Series II India Stone or Series II Hard Arkansas Stone for your stoning process.
- Carefully follow the manufacturer's guidelines for stoning the trigger pull, applying even pressure without overdoing it.
- Regularly check your progress to ensure consistency and avoid overstoning.

#### **5. Finishing Up:**

- Once the desired trigger pull is achieved, remove the fixture and adapters carefully.
- Store all components securely for future use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the fixture or any components become damaged beyond repair, follow local waste disposal guidelines for hazardous materials.
- Recycle any metal parts where possible.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety and usage, please refer to the manufacturer's website or customer service. It is important to ensure that you have access to support when needed.

By following these safety instructions, you can ensure a safe and effective experience with your SERIES II Stoning Fixture Power Custom B92 Fixture. Always prioritize safety and compliance with applicable regulations when using this product.
