# **Safety Instruction Guide for SERIES II Stoning Fixture Power Custom Universal Fixture w/Adapter**

## **Introduction**

Thank you for choosing the SERIES II Stoning Fixture Power Custom Universal Fixture w/Adapter. This product is designed to help you achieve a precise and repeatable trigger pull on semiautomatic firearms. To ensure your safety and the effective use of this product, please read and follow the safety instructions provided in this guide.

## **General Safety Guidelines**

- Ensure that you are familiar with the safe handling and operation of firearms before using this product.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the stoning fixture.
- Keep the stoning fixture out of reach of children and unauthorized users.
- Do not use this product in a manner that is not specified in the instructions.
- Regularly inspect the fixture and its components for wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- When changing adapters, ensure that the fixture is not connected to a firearm.
- Always check that the hammer is securely clamped before beginning the stoning process.
- Use only the specified Series II India Stone or Series II Hard Arkansas Stone with this fixture.
- Adjust the hammer angle carefully to avoid sudden movements that could lead to injury.
- Do not modify the fixture or its components in any way that is not recommended by the manufacturer.
- Ensure that your working area is clean, dry, and welllit to prevent accidents.

## **Instructions for Installation and Usage**

### **1. Installation of the Fixture:**

- Place the stoning fixture on a stable and flat surface.
- Ensure that the indexing elevator column is securely attached to the base of the fixture.

### **2. Attaching the Adapter:**

- Select the appropriate adapter for your firearm (e.g., .154" for AR15/M16, .173" for Colt Commercial AR15).
- Align the adapter with the fixture and securely attach it.

### **3. Clamping the Hammer:**

- Open the clamp and place the hammer into the designated position.
- Close the clamp securely to hold the hammer in place.

### **4. Adjusting the Hammer Angle:**

- Use the adjustable design to modify the hammer angle based on the shooter's needs.
- Ensure that the angle is set before proceeding with the stoning process.

### **5. Stoning Process:**

- Using the Series II India Stone or Series II Hard Arkansas Stone, gently stone the hammer while ensuring consistent pressure.
- Regularly check the progress to avoid overstoning.

#### **6. Finishing Up:**

- Once the desired trigger pull is achieved, carefully remove the hammer from the fixture.
- Clean the fixture and store it in a safe location when not in use.

## **Disposal Instructions**

- Dispose of any worn or damaged components in accordance with local regulations.
- Do not dispose of the product in household waste.
- If applicable, contact your local waste management authority for safe disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the SERIES II Stoning Fixture Power Custom Universal Fixture w/Adapter, please refer to the manufacturer's contact information provided with your product or visit their official website for support resources.

By following these guidelines, you can ensure a safe and effective experience with your SERIES II Stoning Fixture. Always prioritize safety and consult professionals if you have any doubts about the use of this product. Thank you for your attention to these important safety instructions.
